Re San Antonio airtel dated 10/22/63 to Bureau and Little Rock airtel dated 12/11/63 reflecting that review of material from San Antonio failed to reflect any information of value.

Since the names cover a large part of the U. S. and it is not possible to separate names related to the KKK from the others, no lead is being set forth for field offices to check these names. If the Bureau believes a name search through each field office is warranted, it will be done.

_____ has been ordered to take a psychiatric examination according to AUSA HARRY HUDSPETH and investigation reflects that he does have a background in such.

Since the Little Rock office has examined all material of pertinence from effects of _____ relating to KKK with exception of enclosed which has no reference to Arkansas, this matter is being considered closed.

B. GENERAL

There appeared on page 8-A of the November 18, 1963, issue of the "Shreveport Times," a daily newspaper published at Shreveport, Louisiana, an article captioned "KLAN MAPS NON-VIOLENT SEGREGATION CAMPAIGN." This article related that at a klan gathering held near Rayville, Louisiana, on the previous Saturday, three crosses were burned. This article relates that the Imperial Dragon, who was not identified, told those assembled that they must join in a non-violent campaign against national television programs that exaggerate the use of Negroes and that the klan must fight with letters and ballots rather than bullets for segregation and constitutional government.

This article further related that in an interview after the meeting, the Imperial Dragon indicated that members of his organization were writing letters to "peacefully influence" television stations in the South to refuse to air television programs deemed objectionable to the klan.

RE: ORIGINAL KNIGHTS OF THE KU KLUX KLAN

b7C
b7D

[REDACTED]

On April 19, 1964, Special Agents of the Federal Bureau of Investigation observed a 1963 Rambler station wagon parked at the intersection of Louisiana Highways 68 and 10. This automobile was parked on Highway 68 north of Route 10 and had a Confederate flag tied to the antenna. It was occupied by one white male. About one mile north of this intersection on Route 68 it was observed that a gravel road intersects with Highway 68 and proceeds west.

About 250 yards down this gravel road from Highway 68 Agents observed a turn off on the north side of the road which led into a cleared area apparently used for pasture. Approximately 150 yards from the highway there was observed a white building appeared to be made out of asbestos shingle or white concrete block. Along the road there extends a barbed wire fence with a gate at the turn off. Agents observed at the gate approximately five white males some of whom were armed with shotguns and others with pistols.

Throughout the afternoon until approximately 2:30 PM, Agents observed automobiles turning into the gravel road from Louisiana Highway 68 and license numbers of these automobiles were obtained.

[REDACTED]

The "Baton Rouge State Times," a daily newspaper, Baton Rouge, Louisiana, in the May 4, 1964 edition, page 15a, has a news story under dateline Denham Springs titled "LARGE KLAN RALLY HELD." This article states "an estimated 400

THE KU KLUX KLAN - LOUISIANA

hooded persons attended a gathering of the KKK at a vacant lot here Saturday night to hear talks against integration.... The main speaker, who was introduced as a minister, spoke against Protestant ministers who, he said, are influenced by philosophy, psychology and sociology, not by the Bible. He said, 'the only kind of brotherhood there is is the kind of brotherhood of the klan, which is composed of good, white Christians.' "

A characterization of the Original Knights of the Ku Klux Klan (Louisiana) is attached hereto.

Dear Mr. DeLoach:

I am enclosing a circular which was distributed during the past week all over the City of Bogalusa, Louisiana. These circulars were thrown out of an automobile over the city at night.

Since it is an anonymous circular and was distributed all over Bogalusa, it is a direct violation of the law and I would appreciate your taking it up as soon as possible and making a complete investigation so that the violators of the law can be apprehended and dealt with.

With kindest regards, I remain

It is apparent that the local LIBERAL Bogalusa Daily News should like to slander the name of the Ku Klux Klan. This newspaper would lead you to believe that we are an unorganized, ruthless lot of hoodlums, while nothing is further from the truth than that.

The Original Ku Klux Klan does not advocate violence unless it becomes necessary for the preservation of our Democracy, and for the defense of this Country against the tides of communism. Before becoming a member of the Ku Klux Klan, one must take an oath which includes the giving of one's own life for the defense of our freedom and the freedom of our children.

No doubt you read about the incident which happened in the Mitch Community Sunday Night August 9th, because the editor of the Daily News, who is a dastardly, two-bit, little coward, made headlines of it. Yes, this little two-bit editor was trying to mold public opinion against the Ku Klux Klan.

The Ku Klux Klan wants you to know that it had nothing to do with the incident. However, we will find the irresponsible persons who were responsible for this clandestine operation, and when we do, you may rest assured that we shall see to it that they shall never again commit such an act.

Much of our news media-radio, television, and newspaper, are today brainwashing the American People by attempting to tell us to go along with the peace loving communists who have vowed to buy them. They have sold us out, and are now trying to push a socialist form of government down our throats. You have read articles in the local newspaper branding the Ku Klux Klan as hate mongers and mass hoodlums and any other slanderous name that the local low-bred woman chaser of an editor could conjure in his filthy little mind. This little local editor is nothing more than a puppet on a string for a certain fat, shyster lawyer located on Columbia Street who thinks that he is a big wheel in Bobby Kennedy's Justice Department. Yes, we know that he has had several meetings with Bobby Kennedy, trying to figure out more ways to take away a bit more of the White Citizen's rights and slide us deeper along the paths of socialism.

You would hardly believe that our town has such a low bred character as a resident. However, we know that for every city the size of ours there are a few such traitors to the cause of freedom who would, like Faust, sell their very soul to Satan for personal gain. What should you do about such a character? You are under a moral obligation as a Red Blooded American to squeeze this type character out of your city or community and keep them out!

A majority of the Knights of the Ku Klux Klan are veterans of the last world war and have fought on foreign soil for the preservation of the freedom of the United States, and certainly we are not name calling cowards as this little editor is, nor are we puppets in the hand of any one as he is. The Knights of the Ku Klux Klan are brave men and have vowed to die to the very last man before allowing the communists to take over this precious land of yours and your children.

The communists in this country are losing ground. Therefore, they fight loyal American organizations such as the Klan or other conservative organizations by namecalling. Yes, the Communists use the terms hate mongers, hate clubs, hate organizations. These words have been injected into everyday American speech by Gus Hall, a well known top Communist in New York. Any time you see these words in the news paper and hear them on your T.V. you can be certain that they are carrying the Communist line.

Let the Bogalusa Daily News continue dealing with the socialists such as Drew Pearson, the Rockefellers, Scrantons, Javites, Humphries and many more left wing liberals.

HOWEVER LET US get a News Paper in Bogalusa that will print the true facts as they happen, not the slanted and biased views this local paper now prints.

LET US ALSO band together as Americans and each of us do our part to tear off the ugly head of communism, and with our prayers for God's Help it shall be done!

Did you know that there is an emergency Bill now pending called the immigration Bill? This Bill would allow One Million Negroes from Africa to enter the United States each year for the next four years. This is another of Johnson's brainstorms to destroy America. This is equally as bad as the Civil "Wrongs" Bill.

Spears said he drove the truck up behind the car and started to push it and the youth stopped it, saying that he thought something was wrong under the hood. He opened the hood and asked Spears if he knew anything about motors and Spears said he told him "not much". But then he got out of the truck and went home. He could determine what was wrong with the car. Spears said

He said they told him to get into the pink and white car, also ordering the other young man in also. He said both their hands were tied behind their backs with rope. Spears asked that they let his 12-year-old son go and they told him to go home. The youngster, whose name is "Buster", ran home fright- ened at the guns pulled on his father and told his mother what

had happened. He had forced into the car also, for the car went only a distance. Spears per- mitted them to let his son go. Mrs. Spears said she has two daughters, aged 13 and 11, and another "neighbor" went back down the road dark. She said she had a shotgun with her. How Long Does This Go On?

Taking the law into one's own hands is a serious matter, but it is becoming common-place in our area.

A week ago, self-styled guardians of the world's thinking and conduct forced by threats a family to move out of Bogalusa. These people were fine people by every definition of Christian living. They were worth a thousand times the people who threatened them and their family. But their little scheme of hatred worked and the family moved away from Bogalusa. It was Bogalusa's loss and will be marked down as a black day in the records of time for our city.

Two nights ago, a man who lives near Bogalusa and who works in Bogalusa was beaten with a belt in the woods and his 12-year-old son told not to tell about the incident. The child ran home from the incident frightened terribly.

Our self-appointed guardians of all kinds of behavior and morality should take a look at themselves. Unfortunately, they cannot do this objectively. They like themselves and apparently

think they are doing the world a favor by keeping everybody else straight.

Many of them quote Bible passages to try to justify their clandestine activities and wave the flag of Americanism. This, as anybody in his right mind knows, is as far from Americanism as a Gestapo state or Khrushchev or Communism. There is no place in America for a police state, communism, or these do-gooders who take the law into their own hands and spread hate and make threats against our citizens and our children.

Sooner or later, these kinds of people must be stopped. We, as Americans, must face up to the fact that we live in a democracy and our people are not to be intimidated by hooded saviors of the world. Who appointed these men as our guardians? Are they so holy that they exercise the divine right of judgment of human beings?

It is long past time that our people --you, as Americans-- realize that these people have assumed for themselves the rights held only by legally constituted authority and God.

One Arrested In Bogalusa Beating Incident

BOGALUSA — One man has been arrested in connection with the Sunday night beating of James Edward Spears and five other suspects might be arrested "in a day or two," Deputy Doyle Holliday of the Washington Parish sheriff's department announced Wednesday.

The man's name has been withheld pending other arrests, but he was identified as the younger man who led Spears from his home by asking him to help with a stalled car.

When Spears arrived at the car he was forced into another car at gunpoint by two hooded men and taken to the Crown Zellerbach pasture where he was beaten with a belt.

The men who beat Spears accused him of having Negroes at his house to play country music. John Underwood, one of the three men who go to Spears' home about twice a month to play music, backed Spears' claim that he was innocent of the accusations. He said there were no Negroes involved in any way.

Five Charged with Beating

BOGALUSA, La. — Five men have been charged by the Washington Parish sheriff's department in the beating of a white man, north-west of here Sunday night.

Dep Sheriff Doyle Holliday said Winfred Moore, Charles Breland, Marvin Kreel and Tracy Wheat have been charged with aggravated battery and aggravated assault. A fifth man has been charged, but is not yet under arrest. He declined to reveal the man's name.

include a violation of La. revised statute 14:313, regarding the wearing of masks and hoods.

James Edward Spears, who resides about three miles north of Bogalusa, was reportedly taken from his home Sunday night by a group of hooded men and beaten with a belt.

Holliday said the men against whom the charges were made were not connected with the Ku Klux Klan.

Bond for each has been set at \$3,000.

Five Hooded Men Beat Man At Bogalusa

BOGALUSA (UPI) — Five hooded men late Saturday night took an area man a gunpoint into a pasture and beat him with a belt.

The man, James Edward Spears of the nearby Mitchell community, said the men claimed he had Negroes at his house one night recently.

Spears, a folk music fan, denied he had Negroes over to play music.

He said a young man about 20 years old came to his house and asked for assistance with his car. At the car, Spears said, the men jumped out of the bushes at the side of the road with 38-calibre revolvers and took him in the car to a nearby pasture where they beat him.

Spears said his 10-year-old son accompanied him to the car, but the men released the boy unharmed.

Spears said after they left, he stopped a passing automobile and got a ride home.

Spears said that the men were hiding in the bushes alongside of the road, and they grabbed him, forcing him into Crain's car. Spears said the men tied both his and Crain's hands behind them and drove into the Crown Zellerbach North Pasture, where they were met by three more hooded men. Spears was told that he was being punished for playing music with Negroes in his home, and that he had better "straighten up."

Carl Ray Crain, 21, of 1313 Jefferson Street was picked up Tuesday by deputies and charged under Louisiana Revised Statute 14-45 with simple kidnapping, according to Deputy Doyle Holliday.

Holliday said this morning he was enroute to Franklinton to obtain the necessary warrants for the arrest of the other five men involved in the matter.

According to Holliday, Crain did not implicate the other five men involved in the beating. These names were learned by investigation by the Sheriff's Office, Holliday said, adding that these men should be in custody by tonight.

Crain was released on \$2,000 bond last night, the bond being set by District Judge John Warren Richardson.

Holliday said that Crain has admitted his part in the matter, as being the man who went to

Spears' house and asked him for assistance in getting his car. Spears said that the men were hiding in the bushes alongside of the road, and they grabbed him, forcing him into Crain's car. Spears was told that he was being punished for playing music with Negroes in his home, and that he had better "straighten up."

Spears has denied the accusations made by the hooded men, saying he has never had Negroes in his home for a country music session. This statement was backed by John Underwood, who said he frequently plays music with Spears.

Mississippi Delegates Challenged At Demo Platform Committee Meet

Tension Mounts In Delta Area

WASHER, La. (UPI) — The fight over the right of Negroes to vote in Mississippi has been challenged by a group of white supremacists at a meeting in the Delta area. The group, known as the Citizens' Council, has been challenging the efforts of the federal government to desegregate the South. The meeting was held in a small town in the Delta area, and it was attended by a large number of white supremacists. The group has been active in the Delta area for many years, and it has been responsible for many acts of violence against Negroes. BATON ROUGE, La. (UPI) —

An apparently planned protest of more than 100 flaming crosses lit up almost every area of Louisiana over the weekend. The crosses in almost all cases were lit about 10 p. m. Saturday. First reports came from Bogalusa, where 18 crosses were sighted.

Crosses were burned in front of the Bogalusa Daily News Building and in front of the home of its publisher, Lou Major.

Major, a long-time foe of the Ku Klux Klan, said he fired three shots at a car as it drove away from the front of his house.

Crosses were also reported in Bossier City, in Northwest Louisiana, in the Monroe area, in the southwest area near the Texas border and in the southeast Florida Parishes.

St. Helena Parish, with three Negro students beginning classes today in a previously all-white high school, apparently was spared the protest.

The only reported sighting of the men who set the crosses late said they did not wear costume of any sort. The burning cross is a traditional symbol of the Klan.

East Baton Rouge Parish reported 35 crosses at major intersections and in front of schools. Neighboring Livingston Parish counted as many as 50 crosses in demonstrations. Five crosses sighted in Bossier City near Shreveport and several were reported in the Lake Charles area near the Texas border.

A number of crosses were reported in the Monroe area. Crosses were sighted on Highway 1 between Bogalusa and Thibodaux, and between Thibodaux and Folsom. Twelve burned at Covington.

High School Students Barred

Ruling on Trade Schools Upheld

Students to Leave For Pelican State

Nine high school students from Bogalusa and Varadero will leave this morning for Baton Rouge, to participate in a week of mock political activity at Pelican Boys State on the Louisiana State University campus. The boys, who will be sponsored by the Bogalusa High School, are: Toile Williams, eight of the boys are Bogalusa High School students, and Williams is a Varadero High School student.

The American Legion is State-wide sponsor of Pelican State, and Magic City Post 24 made local arrangements, with assistance of eight other sponsors, each of which pays the expenses of one boy. The sponsors, besides the Legion, are the Rotary, Kiwanis and Lions clubs, Knights of Columbus, Elks, Zellerbach, Cozier Lodge No. 244, and A.M. First State Bank and Washington Bank.

John Wallace, chairman of the event this year for Post 24, and Legionnaire Bill White will drive the boys to Baton Rouge, leaving from the Acme Cafe at about 9:30 a.m. They will bring them back to Bogalusa Aug. 24.

The State Board of Education yesterday refused to lift its ban against high school students attending trade school, an action which had met opposition from Bogalusa.

As a result of yesterday's vote, only those Bogalusa High School students who attended the Sullivan Memorial Trade School part-time last term will be allowed to return to the Trade School in September.

Discussion at last month's board meeting gave rise to hopes that the board would change its ruling. But a motion yesterday to rescind the action was voted down.

The ruling is expected to cut the number of high school students attending the Trade School here by about 50 percent this year, and to eliminate them altogether in a year or two.

The board's ruling was made on the grounds that some rural trade schools were keeping open solely through enrollment of high school students who could not find industrial careers elsewhere economically in the high schools themselves. The Bogalusa School Board is on record against the ruling, pointing out that the local Trade School was built originally by the city, not the State, for the primary purpose of offering trade and industrial education to high school students.

No Labor Day Parade or Program

There will be no Labor Day parade or program in Bogalusa this year, it was announced Saturday by Martin M. Knight, president of the Central Trades and Labor Council.

Knight said lack of interest in the celebration resulted in the cancellation of plans for the program and parade.

Organizations with floats from the Fourth of July parade who still have them intact may wish to enter them in the Washington Parish Fair Parade on Wednesday, Oct. 7, in Franklinton.

The World Around You

KENNEDY — WASHINGTON — President Johnson said Saturday he has "great admiration" for Atty. Gen. Robert F. Kennedy but he has not interfered with any decision by Kennedy to run for the U. S. Senate from New York State.

JOHNSON — WASHINGTON — President Johnson lashed out at Sen. Barry Goldwater Saturday, charging the Republican presidential nominee was guilty of "disrespect to peace" by his recent discussion of the possible use of nuclear weapons in the Communist war against South Vietnam.

VIET NAM — SAN FRANCISCO — A Coast Guard cutter raced through choppy Pacific waters Saturday and took aboard 13 men who had abandoned their sea-going dinghy and clambered aboard two life rafts when fire swept through their boat.

FULLER — WASHINGTON — Sen. J. W. Fulbright, D-Ark., Saturday decided Republican presidential nominee Barry Goldwater was a conservative with "an unrepentant conscience" and a "fight to wipe out prejudice and programs would prove ridiculous."

TALKATHON — The Senate bogged down in a talkathon against a legislative foreign aid bill Saturday and hopes for adjournment next week went flying out the window.

Rival Italian Leaders Gravely Ill

Togliatti Failing

MOSCOW (UPI) — Palmiro Togliatti, leader of the powerful Italian Communist party, lay near death at Taft Saturday.

The Soviet news agency said Togliatti was in grave condition and that new "cerebral symptoms" have appeared since he was stricken with a cerebral hemorrhage Thursday while vacationing at the Black Sea resort.

Togliatti's personal physician and a team of five Soviet doctors were at his bedside, but he was showing fast.

The sudden turn for the worse in the 73-year-old president's condition followed a week of rallying. A medical bulletin issued Saturday said Segni "endured a further rapid worsening during the night" and went into a coma.

The news saddened millions of Italians. The retiring Italian statesman is one of the most beloved men in Italy.

Pope Paul VI, celebrating Mass Saturday at his summer residence in Castel Gandolfo, offered prayers for Segni.

Prime Minister Alcide De Gasperi returned from his vacation at the Dolomite resort of Ponte Gardone.

Pope Paul Offers Prayers for Both

CASTEL GANDOLFO, Italy (UPI) — Pope Paul VI offered public prayers Saturday for gravely ill Italian President Antonio Segni and Palmiro Togliatti, leader of the Italian Communist party.

It was the first known time that a pontiff has publicly prayed for an Italian Communist leader.

Under a 1946 decree of the late Pope Pius XII, all Communists were automatically excommunicated from the Roman Catholic Church. This action, however, did not bar Catholics from praying for Communists.

Town Talk

By BOB LAWRENCE

Do not "Scrap" Ferns came into the office this week with some word looking odd. He grew in his garden. He pulled that old bit of "I'll bet you don't know what this is, city boy." And to tell the truth, I really didn't.

It turned out to be a new egg plant. The only egg plants I had ever seen were purple. That's what threw me, but I carried right on with the "scrap" and "scraping" like, "What's an egg plant, something you fill up with gas, crank and give to a chicken. No, a Christmas present!"

Scrap wasn't impressed. He only raises eggplants, pepper plants and tomatoes.

Says that he mixes all these things together and feeds the mixture to his ball players before each ball game. He did claim that he makes pepper jelly. All it takes is a little vinegar and regular method, so to Scrap. YUK!

The Lumberjacks go into summer camp this afternoon. Lake Shelby, Miss. is the scene. It's a good experience for the boys, the first time away from home for any extended period for some of them. I imagine it's kind of like one week of rough boot camp without the inspections.

We had an old boy in our unit who lost his voice because he got so nervous before an inspection. And when the inspection finally came he'd get sick on his stomach just about the time the captain came through the front door of the barracks.

18 Known Burned Inside City Limits

Many crosses were planted across Southeast Louisiana last night shortly after 10 o'clock, the mark of the Ku Klux Klan.

It was the second time this year that the crosses were burned in Southeast Louisiana, the last time being the night of Saturday, Jan. 18.

The nocturnal provokers burned at least 18 crosses throughout the city of Bogalusa, 9 on the Columbia-Covington Highway, 4 in New, another at Maple Hill on the Covington-Bogalusa Highway, and more at Berk.

The crosses were somewhat smaller than those of the January event, but made in much the same way. The wood used in the crosses was smaller, but they were wrapped in burlap and tied with heavy string and soaked with an inflammable substance so that they caught fire quickly after a match was touched to them.

They also had the metal spikes stuck into the bottom of the crosses so that they would stick into the ground easily.

There was no doubt that there

were many cars involved because reports flooded into Police Headquarters here at about the same time, between 10:15 and 11 p. m.

Crosses were planted in various areas of the city. Among the locations where crosses were known to have been burned are in front of the Daily News building right in the heart of the city; on South Avenue 7 near Olsen's Store but not by it; on West 27th Street; on Avenue 2, near W. B. Brown by Avenue 2; East Third Street; 27th Avenue; Canfield Road; North Avenue; Marshall Richardson Road; West Place; Church Street; North Roosevelt Street; Michigan Avenue; and in several other areas which police did not have listed because of the rapidity with which the calls were being received.

City police said shortly before midnight that Supt. of State Police Col. Thomas Burkhead was asking for reports via police radio where the crosses were burned in the state.

Poor Old Taxpayer

Private enterprise was nearly scuttled the other day by a tidal wave created by a Federally owned, high cost, tax supported industrial activity.

The House of Representatives by only an eight vote margin (186-178), voted that 35 percent of all Navy ship repairs and conversions would be done in privately owned shipyards, but gave the lion's share of work — 65 percent — to Government owned and operated Naval shipyards. The slim margin indicates the extent to which Government enterprise, regardless of the effect on the tax base, the public treasury and the taxpayer, has been popularized in recent years.

Private ownership with private capital at risk has always been the foundation of our economic system. Government ownership and production has always been the antithesis of our competitive enterprise system. Yet, the Government owned and operated Naval

shipyards are many times larger than the entire private shipyard industry.

It is alarming that this situation has been permitted to continue — and oftentimes expand — in a country which is the citadel and the world's principal exponent of private enterprise and individual initiative.

These Federal shipyards have costs averaging 25 percent higher than tax-producing privately - owned commercial shipyards, assets many times greater than those of the private shipyard industry, "built - in" inefficiencies not tolerated in any private enterprise, and twice the number of employees required to do the same volume of work. But for the votes of only four patriots, these high-cost, inefficient Government yards could have received 100 percent of all Naval ship repairs and conversions in the present fiscal year.

Four More Charged In Spears Beating

Four additional arrests were made late yesterday afternoon by the Washington Parish Sheriff's Office in connection with the Sunday night beating of James Spears of Mitch, and one more arrest is expected sometime today.

The Sheriff's Office identified the men as Marvin Creel, 35, of 1319 Adams Street; Charles Breland, 25, of Tacoma Street; Tracy Wheat, 19, of Sunset Drive; and Wilford Moore, 37, of 1405 Van Buren.

All four of these men have been charged with aggravated assault and battery and also for violating Revised Statute 14:313, which states it is unlawful for any person or persons to wear a hood or mask in a public place, thereby trying to conceal their identity.

Spears was lured from his home last Sunday night by a young man who asked him for assistance to get his stalled car started, about a quarter of a mile from Spears' home. Crain is accused of being the man who lured Spears from his home.

Pay Raise Bill Signed

WASHINGTON (UPI)—President Johnson today signed into law legislation boosting the pay of every civilian in the federal government except himself. All other non-military employees from messengers up to vice president benefit.

The \$7,500 boost for senators and representatives, which raises their pay to \$30,000 annually, nearly caused his defeat in the House.

The bill authorizes pay increases for some 1.7 million white collar workers, postal employees, high ranking executives and members of the judicial and legislative branches of government.

For almost everyone, the pay raises will be retroactive to early July. For congressmen and congressional employees making more than \$22,000 annually, the increases won't take effect until January, 1965.

First Arrest Reported in Beating of Bogalusan

The Washington Parish Sheriff's Office reported today that an arrest has been made in the abduction and beating of James Edward Spears of the Michoud community.

The name of the suspect is being withheld pending further arrests that may be made today, sheriff's deputies said.

Spears was abducted from his home by hooded men who beat him with a belt after taking him on a ride into the Crown Zellerbach North Pasture.

Spears had left his house to aid a young man who said he needed help getting his car started.

The hooded men accosted him when they reached the youth's pink and white car, about a quarter of a mile from Spears' home.

Spears had said he believed the youth was a decoy to lure him away from his home, and Monday night a 12-year-old boy

said he saw two hooded men get out of the same car shortly before the abduction of Spears.

Identification of the car by Spears was reported to have been a major step leading to the first arrest in the case.

The hooded men had accused Spears of having Negroes in

his home during country music playing sessions. This charge was denied yesterday by John Underwood, a friend of Spears.

Underwood, who said he is a Bogalusa native, "a descendant of Scotch-Irish pioneers, who settled this part of the South," and a World War II veteran, I-

dentified himself as one of the three men who "got together about twice a month and play country music."

He emphasized that "we have never played music with or have been involved with any Negroes in any way."

Underwood continued, "I do not believe that this is the work

of the Ku Klux, as it is and always has been a decent organization made up of God fearing men. But, I believe it is the duty of the Klan to rise up and help catch these yellow dogs, who are ruining the Klan's name and reputation and endangering the lives of our law abiding citizens."

Youth Spotted Two Hooded Men With Boy Who Asked for Help

A 12-year-old boy who lives on the Mitch Road said last night that he saw two hooded men get out of a car on the road and walk over to the nearby railroad tracks shortly before a Mitch man was abducted Sunday night and beat with a belt.

James Edward Spears, a Multiwall Bag Plant worker at Crown Zellerbach, was beaten with a belt late Sunday night

by hooded men who abducted him after Spears went down the road from his house to help a young man get his car started.

Spears said yesterday that he felt that the young man who said he needed help in getting his car started was "in with" the hooded men, although there was no proof of this at the time.

Last night, however, a 12-year-old who lives near

the Spears' on the Mitch Road, told how he saw two hooded men Sunday night get out of the car which was the same one Spears went to help get started.

The youngster walked to the Spears home last night and told them that he saw the two men with hoods on get out of the pink and white car, open up the hood of the car and then walk over to the railroad tracks. With them at the car was the young man who went to the Spears home and asked him to help with his car—which led to his abduction and beating.

Congressman James H. Morrison (D) of Louisiana furnished Mr. DeLoach by letter a circular which was distributed during the week of August 16 through 22, 1964, in the city of Bogalusa, Louisiana. This circular was thrown out of an automobile at night and allegedly was published by the Original Ku Klux Klan of Louisiana.

Report: Spec Q1 was printed by means of the Comp. 1, also known as a Linotype, printing process. The size of the type which would fit a small model offset press, such as a Multicore Model 1250. However, spec Q1 would have been printed on a larger press. The quality of printing is professional but not perfect. The ink is weak in the lower right quarter of the printed sheet. The paper is a standard weight. Nothing was noted as to the source of this paper.

Re: **ALLEGED VIOLATION OF TITLE 18,
 SECTION 612, ON PART OF ORIGINAL
 KNIGHTS OF THE KU KLUX KLAN PUBLICATION,
 POSSIBLY PUBLISHED AT BOGALUSA, LOUISIANA
 RM**

Specimens received **9/23/64**

Result of examination:

Specimen Q1 was printed by means of the offset, also known as lithographic, printing process. The size is one which would fit a small model offset press, such as a Multilith Model 1250. However, specimen Q1 could have been printed on a larger press. The quality of the printing is professional but not perfect. The inking is weak in the lower right quarter of the printed sheet.

The paper is unwatermarked bond, which is used in the printing trade as well as elsewhere. It is used in the 8 $\frac{1}{2}$ " by 14" size, the apparently intended size of Q1, by letter printing services and trade and other associations who most frequently do their own printing on small offset presses, such as a Multilith 1250 or a competing press. Nothing was noted which would furnish an indication as to the source of this paper.

The style of type does not match precisely any type standards on file in the Laboratory. It corresponds most closely to a style referred to as IBM Executive Boldface No. 2 used on IBM proportionally spaced typewriters originally designed for use in offset printing applications, according to information available in the Laboratory. This style is now available upon request.

The submitted evidence has been photographed and is returned to the New Orleans Office.

There appeared in the "New Orleans Times Picayune" newspaper on December 27, 1964, an article which revealed that BROOKS S. HAYS, a former Congressman from the State of Arkansas, and a prominent Baptist churchman and leader had been invited to speak at Bogalusa on January 7, 1965, at St. Matthews Episcopal Church. This article indicated that Mr. HAYS had been invited to speak to ~~religious professionals~~, civic and business leaders and Mr. HAYS was expected to discuss areas of special interest to local, parish, and civic groups with reference to community development.

There appeared an article on page 14A of the December 31, 1964, issue of the "Morning Advocate", a daily newspaper published at Baton Rouge, Louisiana, which was captioned "Opposition Rises to HAYS' Talk in Bogalusa". This article relates in part that hundreds of circulars had appeared in the Bogalusa area in opposition to an integrated meeting which was scheduled to be held on January 7, 1965, at St. Matthews Episcopal Church, at which former Arkansas Congressman BROOKS HAYS has been announced as the speaker. This article further related that the Church Vestry had voted to express opposition to use of the Church for this meeting.

SUBJECT: ORIGINAL KNIGHTS OF THE KU KLUX KLAN
RACIAL MATTERS (KLAN)

The purpose of this memorandum is to set forth the facts concerning the submission of a nonprosecutive summary report regarding the above captioned organization after the Bureau deadline of March 31, 1965.

On February 24, 1965, the New Orleans Office, along with other offices handling Klan matters, was instructed to submit a nonprosecutive summary report on the above organization with March 31, 1965, as the deadline. On March 30, 1965, New Orleans, by radiogram, informed that the Bureau deadline would not be met and the report would be submitted April 15. The Bureau instructed New Orleans to immediately submit the report and to forward explanation why the Bureau deadline was not met.

EXPLANATION OF SAC, NEW ORLEANS DIVISION:

SAC, New Orleans, advised that the Agent to whom this matter was assigned during the period from February 24, 1965, to the date the report was actually submitted on April 6, 1965, was engaged in the preparation of organizational reports on activities in Louisiana of the United Klans of America, Inc., Knights of the Ku Klux Klan; National Knights of the Ku Klux Klan; and Minutemen. SAC, New Orleans, informed that during the same period the Agent was also assisting in interviews in connection with Greenbombs as well as obtaining information.

CONCLUSIONS AND RECOMMENDATIONS OF DOMESTIC INTELLIGENCE DIVISION:

It is noted the New Orleans Office has a severe personnel shortage in connection with the Bogalusa racial situation as well as other racial matters. The report was submitted on April 6, 1965, and was handled with no embarrassment to the Bureau. The Domestic Intelligence Division, in view of the above facts, recommends that no action be taken in this matter. Attached for approval is airtel from SAC, New Orleans, of responsibility to meet Bureau deadlines.

ALLEGED VIOLATION OF TITLE 18,
SECTION 612, ON PART OF ORIGINAL KNIGHTS
OF THE KU KLUX KLAN PUBLICATIONS,
POSSIBLY PUBLISHED AT BOGALUSA, LOUISIANA
RACIAL MATTERS

Reference Bulet dated 11-9-64, which advised that the Department had not reached a decision on the above-captioned ms and that New Orleans would be informed when a decision was received from the Department.

The Department has now furnished an opinion that the circular which was distributed in the City of Bogalusa, Louisiana does not constitute a Federal violation.

This circular identifies the publisher as a Klan organization and, according to the Department, constitutes a Klan attack against the "Bogalusa Daily News" rather than an attack against any Federal candidate.

NOTE: [redacted] Unit Chief, Criminal Div., Dep of Justice, advised SA [redacted] on April 13, 1965, that [redacted] of that Division has reviewed this matter and has rendered the opinion set forth above, New Orleans being furnished this opinion for information.

Cassidy Park

On May 19, 1965, approximately 75 Negroes, mostly teenagers, entered Cassidy Park, Bogalusa, Louisiana. This park is city owned and according to a recent statement of Mayor JESSE H. CUTLER was opened to all individuals.

Subsequently, these Negroes were attacked by a group of 15 to 20 white men and fights erupted in the park and the Negroes left.

Information subsequently received was that Negroes would again attempt to test Cassidy Park on May 20, 1965.

Special Agents of the FBI observed on the afternoon of May 20, 1965, a build-up of a large group of white males in the vicinity of the National Guard Armory at Bogalusa as well as at Cassidy Park.

There appeared an article in the March 20, 1965, issue of the New Orleans "Times Picayune", a daily newspaper, published at New Orleans, Louisiana, on page 18, captioned "Sponsors Face Pressure Claim". This article relates in part that according to RALPH BLUMBERG, the owner of radio station WBOX, Bogalusa, a program inspired by the Klan has reduced the normal 70 to 75 sponsors, who use his station to advertise, to 6.

CHRISTIAN EDUCATIONAL ASSOCIATION

The Christian Educational Association of 530 Chestnut Street, Union, New Jersey, is the publisher of "Common Sense," a tabloid-size newspaper, published twice monthly except during July and August. Current issues of this paper identify the editor as Conde McGinley and the publisher as the Christian Educational Association.

On December 17, 1954, the Committee on Un-American Activities of the United States House of Representatives published a "preliminary Report on Neo-Fascist and Hate Groups" in which their growth and objectives are discussed at length. The report indicates that "Common Sense" has a circulation which fluctuates between 30,000 and 100,000 copies an issue. It describes "Common Sense" as a "hate sheet" vehicle which publishes "some of the most vitriolic hate propaganda ever to come to the attention of the Committee."

According to the report, "Common Sense" depicts Communism as Judaism and devotes its pages almost entirely to attacks on the Jewish and to a lesser extent, the Negro minorities in the United States. Sympathy for the former Nazi government in Germany is also shown in the paper.

White men began beating a white civil rights picket in Bogalusa Friday, causing police to halt a Negro protest march. Police broke up the fight, and later identified three Bogalusans—Rawlin Williamson, 36; Arthur Ray Applewhite, 33, and James D. Terrell, 22—who were charged with disturbing the peace in connection with the incident.

On July 17, 1965, Special Agents [REDACTED]

[REDACTED] of the Federal Bureau of Investigation, witnessed the following incident at the Pine Tree Plaza Shopping Center, Bogalusa, Louisiana:

At about 1:40 AM, various pickets were walking in front of stores in this shopping center. There were both Negro and white pickets present. At about 1:50 PM, two white male pickets were observed picketing on the sidewalk in front of Ray's Modern Barber Shop. Shortly thereafter, one of the barbers, who was subsequently identified as [REDACTED] came out of the shop with a hose that was attached to a water supply within the shop. He proceeded to pour water on the sidewalk in front of the shop and remarked to some of the spectators nearby that he needed to clean up the sidewalk and referred to the pickets by use of such words as "slop," "trash," and "garbage". He began to turn the water on the two pickets and they were completely drenched.

[REDACTED] then obtained a bar of soap from someone inside the shop; and as the pickets passed, he began to rub soap on their arms and shoulders. He made further comments to the spectators such as "you pickets smell like 'niggers' and need a bath." [REDACTED] also blocked the passage of the pickets and by pushing with his body, caused the pickets to step off the sidewalk onto the parking area. He was further heard to comment, "'Niggers' belong in the gutter."

**SIDNEY AUGUST WARNER, also
known as Gussie Warner**

On April 19, 1965, a Special Agent of the Federal Bureau of Investigation observed Sidney "Gussie" Warner, an auxiliary police officer, in the downtown area of Bogalusa, Louisiana. Warner was observed wearing fatigue type blue clothing and had in his possession a silver pocket-pen type tear gas dispenser. Warner stated he also had such a tear gas dispenser for his wife.

On July 21, 1965, Mrs. D. E. McElveen, Sr., Bogalusa, Louisiana, Credit Bureau, furnished the following information from her records regarding Sidney August Warner:

Warner, whose wife's name is Marie, resides at Route 2, Box 305, Bogalusa, Louisiana. He has been on record at the Bogalusa Credit Bureau since 1953. Warner was formerly employed by Crown Zellerbach and is now an independent operator in the egg business. Warner owes a considerable amount of money to Dewitt D. Pittman for the purchase of farm equipment, but there is nothing detrimental in his credit report.

On July 21, 1965, Bob Gray, Consulting Engineer, Uniloy Corporation, Bogalusa, advised a Special Agent of the Federal Bureau of Investigation that Sidney August Warner had been employed as a construction worker by Uniloy since July 3, 1965. Uniloy is installing a television system in Bogalusa. He reported Warner was one of the best workers they had.

There is being submitted as enclosures to this memorandum copies of interview with Captain Dewey Norsworthy, relative to his observing Warner in the vicinity of Landry's Fine Foods at the time it was tested by a group of Negroes, as well as interviews with Warner on October 26, 1964 and March 29, 1965.

During the interview YATES made it known that he had possibly broken his right hand as a result of defending himself against this assault by these men. He also stated that he had been severely pummeled about the head.

Reporting Agent noted that his right hand was badly swollen and that he had a scratch on the back of his hand and one on his third finger.

When the reporting Agent asked to examine YATES' head, he stated no that it would not be necessary, but that he would let the Agents look at his head at a later date in Baton Rouge, after he had been afforded medical treatment.

YATES advised that he did not inform Bogalusa authorities he was coming to Bogalusa, as he felt it was none of their business. He advised he does not trust Bogalusa authorities, nor the Louisiana State Police.

He stated that he would contact the Baton Rouge, Louisiana, Office of the FBI on the next day and provide a written detailed statement of this incident. He stated that his prime concern at the time was to get away from Bogalusa.

The following descriptive information was obtained during the course of this interview:

Name	WILLIAM JOHN YATES
Race	White
Sex	Male
Age	36
Date of Birth	February 18, 1928
Place of Birth	Carbondale, Pennsylvania

RE: RANDLE COZELL POUNDS,
also known as "Jelly" Pounds

advised on June 23, 1965, that "JELLY" POUNDS is the co-ordinator of the klan units in the Bogalusa area.

On April 7, 1965, POUNDS allegedly attempted to assault CORE worker WILLIAM JOHN YATES while YATES was parked in the vicinity of the home of ROBERT HICKS, Bogalusa, Louisiana. POUNDS allegedly struck the automobile of YATES with a blackjack while YATES was within this automobile. YATES identified photographs of POUNDS as being identical with the person who attempted to assault him on the above date. Upon interview, POUNDS denied that he was involved in this incident. Pertinent interviews regarding this matter are included in this memorandum.

At approximately 9:30 AM, on April 9, 1965, POUNDS assaulted JAMES L. FARMER, Executive Director, CORE, at the intersection of Columbia Road and Third Street. FARMER, at the time, was leading a procession of approximately 420 civil rights marchers. POUNDS walked up to FARMER, grabbed him by the collar, and drew back his other hand in which he held a blackjack. Appropriate interviews with witnesses to this incident are included in this memorandum.

On July 19, 1965, at City Court of Bogalusa, POUNDS pleaded guilty to committing an assault with a dangerous weapon, to wit a blackjack, upon the person of JAMES FARMER and was fined \$25.00 and costs or 30 days in jail.

When interviewed January 11, 1965, and March 27, 1965, POUNDS denied being a member of the Ku Klux Klan. These interviews are included in this memorandum.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

Date 4/15/65

On this date, the reporting agent was standing in front of the First State Bank and Trust Company at Bogalusa, at the intersection of Third Street and Columbia Streets, observing a march of Civil Rights workers led by JAMES FARMER.

As the marchers neared the intersection of Third Street and Columbia, three individuals, two of whom were [REDACTED] known to this agent as [REDACTED] both of Bogalusa, and a third individual not then known, but now known as [REDACTED] broke from a crowd of men in front of the Acme Cafe.

At a run, they proceeded through several photographers leading the parade. [REDACTED] attempted bodily to branch two of the photographers who were later determined to be "Life" photographers, [REDACTED] Louisiana State Police, Lieutenant [REDACTED] and Lieutenant [REDACTED] immediately inferred they pulled [REDACTED] and [REDACTED] away from this area. One or two Bogalusa auxiliary police officers were also seen forcing these individuals away from the "Life" photographers. Seconds later [REDACTED] was seen to come around to the front of the group of Civil Rights marchers, carrying a blackjack, black in color, in his right hand.

He passed directly in front of JAMES FARMER, grabbed FARMER by the shirt and coat collar and tie with his left hand, and then raised his right hand as if to strike FARMER. At this point Captain [REDACTED] of the Bogalusa, Louisiana, Police Department, stepped in and wrestled the blackjack away from [REDACTED] who was then handled by Bogalusa auxiliary police officers, [REDACTED] who held on to [REDACTED] for several seconds then moved him over to the west side of Columbia Street to where he was temporarily restrained by Bogalusa, Louisiana State Police Officers.

[REDACTED] was the only individual seen to approach FARMER and to try to attack him.

He was not heard to make any statements, but was only seen to gesture.

Within five minutes, a large contingent of Louisiana State Police officers moved down Third Street in an easterly direction from Columbia Street and in so doing, all of the young men who had been around seemed to melt into the crowd and the clubs, sticks, and ballbats, of which there were two noted by the reporting Agent, seemed to disappear.

As the Bogalusa Voters League parade proceeded south on First Avenue at the intersection of Third Street, the

UNITED STATES GOVERNMENT

Memorandum

TO : DIRECTOR, FBI (157-92)

DATE: 7/28/65

FROM : [REDACTED], LITTLE ROCK (157-15) P

ALL INFORMATION CONTAINED
HEREIN IS UNCLASSIFIED

DATE 5/5/89 BY SP-7ma/RS

SUBJECT: ASSOCIATION OF ARKANSAS KLANS OF
THE KU KLUX KLAN
RACIAL MATTER

ReBulet to Little Rock dated 7/26/65.

There is definitely a resurgence of klan activity taking place within the Little Rock Division and the Little Rock Office has separately requested Bureau approval for the realignment of personnel in an effort to cope with this problem. This new activity is centered in South Central and Southeast Arkansas and, more specifically, in the counties bordering the state of Louisiana. This resurgence of activity is resulting from recruitment activities by 2 Louisiana klan groups, namely United Klans of America, Inc., (UKA) and the Original Ku Klux Klan of America, Inc., (OKKK). The latter is a splinter group of the Original Knights of the Ku Klux Klan (OKKKK) of Louisiana.

During recent months, the OKKKK, with headquarters at Monroe, La., has engaged in recruitment activities in Arkansas, and there has been a certain amount of cooperation by this organization with the UKA and the Association of Arkansas Klans of Ku Klux Klan (AAK). For example, elements of all 3 organizations have joined together to hold recruiting rallies at Hamburg, El Dorado, and Pine Bluff, Arkansas. The formal programs of these rallies were carried out entirely by speakers and masters of ceremonies furnished by Louisiana klans. In spite of the fact that there has been some cooperation between these klan organizations, there is currently strong competition between the UKA and the OKKK for the affiliation of the Arkansas klaverns being formed.

LR 157-15

The competition has been brought about, at least in part, by a division in the leadership of the OKKK. Although the OKKK did most of the ground work in recruiting, it appears that UKA will win a majority of the klaverns being formed. None of the klaverns listed hereafter have been officially chartered in either organization.

During the march on July 11, 1965, the following activity was observed by SA [REDACTED] b7C

Just as the parade was passing the intersection of Third Street and Columbia Street, reporting Agent noted approximately 40 to 50 young white males walking out of the parking lot immediately east of Willoughby's Men's Store located on Third Street.

Reporting Agent noted in particular two individuals known to him as [REDACTED]

[REDACTED] b7C
[REDACTED] Both of these individuals are well known to the reporting Agent. They were noted to be taking what appeared to be 1 by 2 boards or planks from the rear of a 1950 blue Studebaker, which is known to be the property of [REDACTED]

NO 105-1057

This car was parked in the parking lot approximately 25 feet from Third Street and directly east of Willoughby's Men's Store.

Standing approximately 20 yards from the automobile SA [redacted] noted [redacted] better known as [redacted] standing and directing these young men who were carrying clubs and were moving out onto Third Street. SA [redacted] could see the upper portion of [redacted] body and noted [redacted] directing by pointing instructions to these young men and after he would make statements to them, they would walk off in the direction in which he pointed. He was not heard to make any statements, but was only seen to gesture.

Within five minutes, a large contingent of Louisiana State Police officers moved down Third Street in an easterly direction from Columbia Street and in doing so, all of the young men who had been around seemed to melt into the crowd and the clubs, sticks, and ballbats, of which there were two noted by the reporting Agent, seemed to disappear.

As the Bogalusa Voters League parade proceeded south on First Avenue at the intersection of Third Street, the reporting Agent also noted [redacted] Slidell, Louisiana, who was standing in the middle of Third Street talking to [redacted] Amite, Louisiana. Both of these individuals were seen over a period of ten or fifteen minutes to talk to different persons who were not known to reporting Agent, but who seemed to be either getting instructions from [redacted] or just passing the time of day with them.

COMPLAINT

The United States of America alleges:

1. This action is brought by the United States pursuant to Section 1971, 2000a-5, 2000b, and 2000e-6 of Title 42 of the United States Code. This action is also brought by the United States in its sovereign capacity to uphold the integrity of the judicial system of the United States, and to prevent unlawful interference with the carrying out of the orders of its courts.

2. This court has jurisdiction of this action under 42 U.S.C. 1971(d), 2000a-6(a) and 2000e-6(b) and under 28 U.S.C. 1345.

3. The Original Knights of the Ku Klux Klan (herein after referred to as the Klan) is an unincorporated association the membership of which largely comes from and operates in the Bogalusa and Washington Parish environs. Its principal official is defendant Charles Christmas who resides in Amite, Louisiana. Its principal officials in the Washington Parish area are defendant Saxon Farmer and Russell Magee, and its principal office and meeting place in the parish is the Disabled American Veterans Hall located in Washington Parish near Bogalusa, Louisiana.

4. Defendants Saxon Farmer, Russell Magee, Dewey Smith, Virgil Corkern, Albert Applewhite, B. J. Dixon, O'Neal Austin Jones, Delos Williams, James M. Ellis, Hardie Adrian Goings, Jr., Arthur Ray Applewhite, Esley Freeman, Willie Blackwell, James Hollingsworth, Jr., Rawlin Williamson, Randle C. Pounds, Sidney August Warner, Billy Alford

and Louis Applewhite are members of the Klan. Each resides in Washington Parish, Louisiana.

5. Defendants Intendant Webster, Lee Buraway,

Doyle Tynes, Charles Ray Williams, Franklin Harris, Charles McClendon, Delton Graves, Milton Earl Parker, Glenn Breland, [REDACTED], J. A. Hollingsworth, Sr., Benton G. Breland, James D. Terrell, Mervin Taylor, Van Day and Ray Risner are residents of Washington Parish, Louisiana.

6. The City of Bogalusa is located in Washington Parish, Louisiana, on the Pearl River at a point where the river forms the boundary between Louisiana and Mississippi. There are approximately 13,943 white persons and 7,464 Negroes residing in Bogalusa. There are approximately 16,804 adult white persons and 6,821 adult Negroes residing in Washington Parish. Of these, 15,521 whites and 1,594 Negroes are registered to vote.

7. On January 11, 1960, this Court entered an Order in the case of United States v. McElveen, et al. (C.A. No. 9148) against defendant Saxon Farmer and others enjoining them from engaging in any acts or practices which would interfere with the rights of any citizen of the United States to vote at any election without distinction of race or color. That Order restored to the voter registration rolls of Washington Parish 1,377 Negro citizens who had been unlawfully purged therefrom by Saxon Farmer and other of the defendants in that action.

8. Prior to July 2, 1964, Bogalusa and Washington Parish had, for many years, been racially segregated communities. Theatres, restaurants, hotels, schools, parks, libraries, and all other public facilities and places of public accommodation and amusement had been maintained and operated on a racially segregated basis. All elected parish and city officials in Washington Parish and Bogalusa are and traditionally have been white persons.

9. In January 1965, an organization known as the Bogalusa Voters League, composed largely of Negro residents of Washington Parish, commenced a campaign to gain equal rights for Negroes in Bogalusa and in Washington Parish, including rights secured to Negro citizens by the Civil Rights Act of 1964. In its campaign the Bogalusa Voters League was supported by the Congress of Racial Equality, a national organization devoted to achieving equal rights for Negroes. The means used by these organizations in furthering this campaign included, and still include, the holding of voting registration clinics to instruct qualified Negroes on how to register to vote, the holding of mass meetings in Bogalusa to call attention to the grievances of the Negro community and to encourage Negroes to exercise their rights, the picketing of places of public accommodation, and other businesses, to protest racially discriminatory policies in hiring

and serving Negroes, and conducting protest marches in downtown Bogalusa to protest the denial of equal rights to Negroes.

10. The Bogalusa Voters League commonly holds meetings, conducts its business and initiates its demonstration marches in the Bogalusa Labor Temple located at Third Avenue and Twelfth Street in the City of Bogalusa. The use of the Labor Temple for this purpose is of general knowledge in Washington Parish and at all times herein mentioned was known to the defendants.

11. As a part of the campaign referred to in the preceding paragraphs, petitions were presented to the Mayor of Bogalusa, asking that immediate steps be taken to accord equal rights to Negroes in Washington Parish. Among the rights referred to in these petitions were the right to vote, the right to use public accommodations, the right to use public facilities, the right to equal employment opportunities in public and private employment, and the right to equal educational opportunities in public schools. The demands of the Negroes and their effort to achieve equal rights were of general public knowledge in Washington Parish and were known to the defendants.

12. It has been and is the objective of the defendants to preserve total racial segregation and white supremacy in Bogalusa and Washington Parish. The Klan and the individuals named as defendants in this action have worked jointly and with a common design to further this objective.

15. A part of the objective of the defendants, as described in the preceding paragraph, has been to discourage, interfere with and prevent Negro citizens in Washington Parish from exercising their right to the free and equal use and enjoyment of public facilities as guaranteed by the Fourteenth Amendment to the Constitution of the United States; their right to the free and equal use of public accommodations as guaranteed by Title II of the Civil Rights Act of 1964 (42 U.S.C. 20002); their right to vote and to register to vote for the election of federal candidates, free from racial discrimination, as guaranteed by the Fifteenth Amendment and by 42 U.S.C. 1971; their right to equal employment opportunities as guaranteed by Title VII of the Civil Rights Act of 1964 (42U.S.C. 2000e), and their right to equal public educational opportunities on a non-racial basis. In furthering this objective, the defendants have adopted and used the following means among others:

(a) Assaulting, threatening, and harassing Negroes who seek to exercise any of the above rights, and assaulting, threatening, and harassing persons who urge that Negroes should exercise or be accorded those rights.

(b) Committing, threatening to commit, and urging others to commit acts of economic retaliation against Negroes who seek to exercise these rights, and against any persons who urge that Negroes should exercise or be accorded these rights, or who permit open, free and public discussion on the issue.

(c) Threatening and intimidating public officials and businessmen who agreed or seek to accord Negroes their rights without regard to race or color.

14. Specifically, the conduct of the defendants has included the following:

a. In July 1964, shortly after the adoption of the Civil Rights Act of 1964, defendants E. J. Dixon and O'Neal Austin Jones and another person unknown to the plaintiff repeatedly visited Buford Dunaway, owner of a sandwich shop in Bogalusa, and attempted to induce him to serve Negro patrons only, on a segregated basis.

b. On January 7, 1965, former Congressman Brooks Hays of Arkansas, at the invitation of religious, business, and civic leaders from Bogalusa, was scheduled to speak publicly in Bogalusa at the St. Matthews Episcopal Church Parish House on the subject of community relations. The meeting was scheduled to be open to both Negroes and whites and it was planned that seating would be on a racially non-segregated basis. After learning of the proposed appearance of Mr. Hays, the defendant Klan and its members protested to the Mayor and the

(d) intimidation, threat, and coercion of persons who have that Negroes should be treated as equals in these areas, to the effect that

member of the Commission Council and, by means of threats of civil disorder including threats of burning the place of the meeting and economic retaliation against local businessmen who supported the meeting, caused the retraction of the invitation to Mr. Hays to speak.

c. During the period from January 23, 1965, to the present time the individual defendants and individual defendants including Saxon Farmer, Russell Magee, Dewey Smith, Randle C. Founds, Billy Alford, Louis Applewhite, Charles McClendon, and the members of the defendant Klan have gone to locations where they anticipated that Negroes would attempt to exercise their rights and where they anticipated that persons would publicly demonstrate in favor of equal rights for Negroes, in order that the defendants might identify, harass, threaten and intimidate such Negroes and other persons. For this purpose, members of the defendant Klan have gone to Franklinton, Louisiana, when Negro citizens of Washington Parish were expected to apply to register as voters, have gone to restaurants in Bogalusa when Negroes were seeking or were expected to seek service, and have gone to locations in downtown Bogalusa and near the Bogalusa Labor Temple when Negroes were attempting or were expected to demonstrate publicly in support of equal rights for Negroes.

d. On February 2, 1965, members of the Klan including defendants Charles Christmas and Saxon Farmer demanded that the city officials require that William Yates and Stephen Miller, two CORE workers who had come to work with the Bogalusa Voters League, be physically removed from Bogalusa. On February 3, 1965, defendants Doyle Tynes, James Hollingsworth, Jr., Ira Dunaway, J. A. Hollingsworth, Sr. and Delos Williams followed William Yates and Stephen Miller and assaulted Yates, all for the purpose of preventing their activity in encouraging Negro citizens to exercise and enjoy their rights under the Constitution and Federal law.

e. On February 15, 1965, defendants Virgil Corkern, Sidney August Warner, Delos Williams, James M. Ellis, Charles Ray Williams, and Albert Applewhite, and other persons unknown to the plaintiff, gathered at Landry's Fine Foods, a restaurant in Bogalusa, to observe Negroes seeking service at the restaurant. Defendant Corkern and one other entered the restaurant brandishing clubs, ordered the Negroes to leave and threatened to kill Sam Barnes, a member of the Bogalusa Voters League, who had come to the restaurant with six Negro women. Defendants Charles Ray Williams and James Ellis thereupon followed the Negroes into the Negro section of Bogalusa.

f. On February 15, 1965, defendant Virgil Corkern and approximately 30 other white persons unknown to the

plaintiff, attacked five Negro citizens and vandalized the car in which they were riding shortly after the Negroes had sought service at a gasoline station in Bogalusa.

g. On February 17, 1965, defendant Virgil Corkern followed Reverend Jerry M. Chance by automobile for the purpose of threatening him with physical harm because of Reverend Chance having participated in the invitation extended to Brooks Hays.

h. On March 29, 1965, defendants Hardie Adrian Goings, Jr. and Franklin Harris, while a meeting of the Bogalusa Voters League was in progress at the Labor Temple, threw an ignited tear gas canister at a group of Negroes standing near the Labor Temple.

i. On April 5, 1965, the defendant Arthur Applewhite and other persons unknown to the plaintiff, threatened and attempted to intimidate CORE workers who were going from door to door in a Negro neighborhood in Bogalusa encouraging Negroes to register to vote.

j. On April 7, 1965, defendants Lattimore McNeese and Benton G. Breland, threatened Negro citizens during the course of a meeting at the Labor Temple by pointing a gun at Negroes standing outside the Labor Temple.

k. On April 7, 1965, defendants Randle C. Pounds and Glen Breland accosted CORE worker William Yates and Pounds struck his car with a heavy object at a time when Yates was departing from the house of Robert Hicks, Vice President of the Bogalusa Voters League.

1. In the early morning of April 8, 1965 defendant Randle C. Pounds, with other persons unknown to the plaintiff, smashed the rear window of an automobile belonging to CORE workers while it was parked across from the house of Robert Hicks, vice-president of the Bogalusa Voters League.

2. On April 9, 1965, defendants Billy Alford, Randle C. Pounds, Lattimore McNeese, Charles McClendon and James Burke together with other persons to the plaintiff unknown went to the downtown area of Bogalusa where Negro citizens were participating in a march to the Bogalusa City Hall to protest denial of equal rights. While there, Billy Alford and Randle C. Pounds assaulted Negroes who were participating in the march; Charles McClendon and James Burke attacked newsmen observing the march; and defendant Burke attacked a special agent of the Federal Bureau of Investigation who was observing the march in connection with his duties.

3. On April 16, 1965, defendant Willie Blackwell assaulted James Brown, a Negro who was then picketing a business establishment in Bogalusa to protest unequal employment practices.

o. On May 19, 1965, Virgil Cockern, [redacted] two teen-aged sons of Virgil Cockern and other white persons unknown to plaintiff, went to Cassidy Park, a public recreation area maintained by the City of Bogalusa, for the purpose of interfering with the enjoyment of the park by Negroes and white CORE workers who were present at the park and using the facilities for the first time on a non-segregated basis. The group of white persons of which Virgil Cockern was a member, entered the park and dispersed the Negro citizens with clubs, belts and other weapons.

p. On May 20, 1965, members of the defendant Klan, Marvin Taylor and other persons unknown to the plaintiff again gathered at Cassidy Park for the purpose of interfering with the use and enjoyment of the park facilities by Negro citizens. The Negroes did not appear, but a news photographer walked into the park and was assaulted, beaten by the group of whites, who confiscated his photographic equipment.

q. As a result of the activities described in the two preceding paragraphs, the City of Bogalusa closed Cassidy Park.

r. On or about May 23, 1965, the defendants Richard G. Krebs and Willie Blackwell took a can of gasoline to the area of the Ebenezer Baptist Church, located in Bogalusa, Louisiana, for the purpose of

destroying the church by fire in order to prevent mass meetings held on the premises by the Bogalusa Voters League.

s. On May 29, 1965, defendants Arthur Ray Applewhite, J. A. Hollingsworth, Jr. and Esley Freeman with other persons unknown to the plaintiff, went to the downtown area of Bogalusa where Negro citizens and CORE workers were picketing downtown Bogalusa business establishments. While there Arthur Ray Applewhite, J. A. Hollingsworth, Jr., Esley Freeman and others unknown to the plaintiff threatened, harassed, and attempted to intimidate the pickets.

u. On May 31, 1965, defendants Billy Alford and Randle C. Pounds with other persons unknown to the plaintiff, went to the downtown area of Bogalusa where Negro citizens and CORE workers were picketing business establishments in Bogalusa, protesting unequal and discriminatory hiring practices. While there Billy Alford, Randle Pounds and other unknown to the plaintiff, threatened, harassed and attempted to intimidate said pickets.

15. On June 25, 1965, members of the Bogalusa Voters League filed an action styled Robert Hicks, et al. v. Clanton Knight, et al., C.A. 15727, in the United States District Court for the Eastern District of Louisiana, seeking an injunction requiring officers of the City of Bogalusa to open the public parks of the City of Bogalusa and to maintain and operate such parks without

racial discrimination, and requiring law enforcement officers of the City, Parish and State to protect the Negro plaintiffs and other Negroes from physical assaults, beatings, harassment and intimidation at the hands of white citizens for the purpose of discouraging plaintiffs from picketing, assembling, using the public parks in Bogalusa, or exercising or advocating any other fundamental personal rights or assisting or encouraging others to do the same. On July 10, 1965, this Court issued its preliminary injunction in Robert Hicks, et al. v. Claxton Knight, et al., enjoining the defendant city or parish officers from failing to use all reasonable means to protect the Negro plaintiffs and others similarly situated from physical assaults and beatings and from harassment and intimidation which prevents or discourages the exercise of their right to picket, assemble peaceably and advocate equal civil rights for Negroes. The preliminary injunction is still in full force and effect.

16. Since this Court issued its order on July 10, 1965, as described in the preceding paragraph, the defendants have continued to interfere with Negro citizens, and others working with them, attempting to exercise the rights secured to them by the Constitution and the Civil Rights Act of 1964. Specifically their conduct has included: The following defendants on the following dates went to the downtown area of Bogalusa with persons unknown

to the plaintiff and threatened, harassed and attempted to intimidate Negroes and other persons with them who were demonstrating and picketing in protest of the denial of equal rights:

Denton Graves	July 10, 1965
Milton E. Parker	July 10, 1965
Milton E. Parker	July 13, 1965
Rawlin Williamson	July 16, 1965
James D. Terrell	July 16, 1965
Arthur Ray Applewhite	July 16, 1965..
Van Day	July 16, 1965
Ray Risner	July 17, 1965

17. The conduct of the defendants as described in this complaint has been and is pursuant to a pattern and practice of resistance to the exercise of the right to equal and non-discriminatory use of places of public accommodations under Title II of the Civil Rights Act of 1964, and of the right to equal and non-discriminatory employment opportunities under Title VII of the Civil Rights Act of 1964.

18. Unless restrained by order of this Court, the defendants will continue to engage in conduct similar to that described in this complaint.

WHEREFORE, plaintiff prays that the Court enter a preliminary and permanent injunction enjoining the Original Knights of the Ku Klux Klan, Charles Christmas, Saxon Farmer, Russell Magee, Dewey Smith, Virgil Corkern, Albert Applewhite, E. J. Dixon, O'Neal Austin Jones, Delos Williams, James M. Ellis, Hardie Adrian Goings, Jr., Esley Freeman, Arthur Ray Applewhite, James A. Hollingsworth, Jr., James A. Hollingsworth, Sr., Randle C. Pounds, Sidney August Warner, Ray Risner, Billy

Alford, Rowlin Williamson, Louis Applewhite, Willie Blackwell, Lattimore McNeese, Ira Dunaway, Doyle Tynes, Charles Ray Williams, Franklin Harris, Charles McClendon, James D. Terrell, Delton Graves, Milton Earl Parker, Glenn Sreland, Benton G. Sreland, Van Day, Mervin Taylor, their agents, employees, officers, members successors and all those in active concert or participation with them from:

(a) Assaulting, threatening, harassing, interfering with or intimidating, or attempting to assault, threaten, harass, interfere with or intimidate any Negro in the exercise of his right in Washington Parish, Louisiana, to the equal use and enjoyment of public facilities and places of public accommodation, of the exercise of his right to vote free from racial discrimination, of the exercise of his right to equal and non-discriminatory educational opportunities in the public schools, or of his right to equal employment opportunity; or assaulting, threatening, harassing, interfering with, or intimidating any other person for the purpose of discouraging Negro citizens from exercising such rights;

(b) Injuring, oppressing, threatening or intimidating any official or employee of the City of Bogalusa or Washington Parish on account of his having accorded or sought to accord Negroes equal treatment in the use of public facilities in Washington Parish;

(c) Injuring, oppressing, threatening or intimidating any businessman, proprietor or other person having accorded or sought to accord Negroes equal treatment in the use and enjoyment of any restaurant, theatre, hotel, motel or other place of public accommodation, or in employment;

(d) Physically assaulting or beating any civil rights demonstrators or inflicting upon any person harassment or intimidation which prevents or discourages his exercise of his right to picket, assemble peaceably, or advocate equal civil rights for Negroes, or otherwise interfere with the duty of the city and parish officials under this Court's order of July 10, 1965 in the case of Hicks v. Knight.

Plaintiff further prays that this Court grant such additional relief as justice may require, retain jurisdiction of this cause, and grant costs and disbursements of this action.

The July, 1962 issue of "The Thunderbolt", self-described as the official white racial organ of the National States Rights Party, contained an article on Page 7 which stated in part as follows:

"NSRP Members actively campaigned against the race mixers in recent elections and by alerting the people, the people helped put good white men in public office. It is the job of the NSRP in New Orleans to check records of each candidate then alert the people of who to vote for, and Information Director of New Orleans Mr. Randall Trudeau has been doing a good job of alerting the people."

SENATE CONCURRENT RESOLUTION No. 12

REGULAR SESSION, 1964

A CONCURRENT RESOLUTION

By: Messrs. Knowles, Tessier, Davis, Poston, Broussard, Montgomery, and Reps. Hogan, Cooper and McMillian

WHEREAS, this state and this country face grave public danger from enemies both within and without our boundaries, and

WHEREAS, these subversive groups and persons under the color of protection afforded by the Bill of Rights of the United States Constitution seek to destroy us and the ideals which we fought to preserve and subject us to the domination of foreign powers and ideologies, and

WHEREAS, Louisiana, as one of the laboratories of this great country, may study profitably this problem within its boundaries and enact remedial legislation if facts therefor are made available, and

WHEREAS, necessary and desirable legislation to meet this grave problem and to assist local enforcement officers to be effective must be based on a thorough and impartial investigation by a competent and active legislative committee.

THEREFORE, BE IT RESOLVED by the Senate of the Legislature of the State of Louisiana, the House of Representatives concurring therein, that there is hereby created the Joint Legislative Committee on Un-American Activities, which Committee shall consist of ten members, five to be appointed by the Speaker of the House of Representatives from the membership of the House and five to be appointed by the President of the Senate from the membership of the Senate, which committee shall study, investigate and analyze all facts relating directly or indirectly to the subject expressed in the recitals of this resolution; to the activities of groups and organizations which have as their objectives, or as part of their objectives, the overthrow or destruction of the State of Louisiana by force, violence or other unlawful means; to all organizations known to be or suspected of being dominated or controlled by a power seeking to impose a foreign political theory upon the government and people of the State of Louisiana, and all organizations

seeking by force, violence or other illegal means to deprive any citizens of the State of Louisiana or the State of Louisiana itself from the rights guaranteed to the citizens and the States by the Constitution of the United States; to all persons who belong to or are affiliated with such groups or organizations; to the manner and extent in which such activities affect the safety, welfare and security of this state and the citizens of this state in National Defense, the functioning of any state agency, unemployment relief and other forms of public assistance, educational institutions in this state, including but not limited to the operation, effect, administration, enforcement and needed revision of any and all laws in any way bearing upon or relating to the subject of this resolution.

Be It Further Resolved that the Committee shall have the authority to:

(a) Select a chairman and a vice chairman from its membership; and to employ and fix the compensation of a secretary and such legal, clerical, investigative, expert and technical assistants as it may deem necessary.

(b) Contract and deal with such other agencies, public or private, as it may deem necessary for the rendition and affording of such services, facilities, studies and reports as will best enable the committee to carry out the purposes for which it is created.

(c) Cooperate with and secure the cooperation of parish, city, and other law enforcement agencies in investigating any matter within the scope of this resolution,

(d) Cooperate with and meet with similar committees of other states and of the Federal Government, or representatives thereof, outside of this state, and expenses necessarily incurred in connection therewith by any of the members or staff of the committee, thereunto duly authorized by the chairman, shall constitute a proper charge against the sums allocated to the committee,

(e) Do any and all other things necessary or convenient to enable it fully and adequately to exercise its powers, perform its duties, and accomplish the objects and purposes of this resolution, and

(f) Adopt and from time to time amend such rules governing its procedure as may appear appropriate.

Be It Further Resolved that every department, commission, board, agency, officer and employee of the State Government of Lou-

isiana and of any political subdivision, parish, city or public district of or in this state, shall furnish the committee and any subcommittee, upon request, any such information, records and documents as the Committee or subcommittee deems proper for the accomplishment of the purposes for which the committee is created; provided, however, that this provision shall not extend to, nor shall it be construed to make available to the committee or any subcommittee thereof, any record or other document which under the law is made a confidential record.

Be It Further Resolved that the committee shall have the power and authority to hold hearings at any place in Louisiana, which meetings may be public or private, to subpoena witnesses, administer oaths, require the production of books and records pertinent to any inquiry before the Committee and to do all other things necessary to accomplish the purposes of this resolution.

Be It Further Resolved that the Committee shall have authority to apply to any court of competent jurisdiction for enforcement of any order issued by it for the production of books, records or other documents or to compel the attendance of any witnesses subpoenaed to appear before it and, upon request of the committee, the Attorney General shall prosecute any witness who is guilty of refusal to testify or who gives false testimony, and persons guilty of false swearing or of giving false testimony shall be punished in accordance with the criminal laws of this state relating to false swearing or perjury, as the case may be, and

Be It Further Resolved that the committee shall submit its findings and recommendations to the Legislature at each of its regular sessions and at such other times as the committee may deem necessary and desirable.

Be It Further Resolved that the members of the committee created herein shall serve without compensation but shall receive the same per diem and travel allowance in the performance of their duties as is provided for members of the Legislature.

Be It Further Resolved that the per diem and travel allowance herein authorized and all other expenses incurred by the committee shall be paid out of funds appropriated or otherwise dedicated for the use of the committee; provided, however, that the disbursements for all expenses incurred by the committee, including the payment of per diem and travel allowances for

THE WITNESS, JACK N. ROGERS, ESQ., AFTER FIRST HAVING BEEN DULY SWORN TO TELL THE TRUTH, THE WHOLE TRUTH, AND NOTHING BUT THE TRUTH, SO HELP HIM GOD, TESTIFIED AS FOLLOWS:

BY MR. ROGERS:

Mr. Chairman, and gentlemen of the Committee, this investigation at the request of the Committee has been made into the current operations of the so-called "Ku Klux Klan" in Louisiana. I want to make the point clearly for the Committee, that we have strictly limited this investigation solely to those Klan groups active in Louisiana at this time. We have made no effort to go into the good or bad reports concerning the two previous manifestations of the Ku Klux Klan, or into the present Klans of any other State. There are significant reasons for this. First, the two earlier Klans which existed in the United States and in the State of Louisiana have been long since totally and completely disbanded, and are not in any way alive today, other than through the ritual connected with the great bulk of the Klan operations in the State of Louisiana. I will discuss this point later in the Hearing with further information.

Just purely for background information, as you gentlemen undoubtedly know, the Ku Klux Klan was originally organized in 1866, and was officially disbanded in 1869, although the reconstruction period and scattered Klan activities did continue in some areas of the South for an additional five or six years after that.

After the original Klan was disbanded there were no further large scale open manifestations of the Ku Klux Klan in the South until about 1915. During that year a Rev. William J. Simmons

of Georgia set up an organization called "The Ku Klux Klan, Inc.," which was chartered by the State of Georgia as a fraternal and philanthropic organization. It employed the general regalia of robe and peaked hood of the original Ku Klux Klan, and some of the officer-titles and portions of the ritual of the old Klan, as was preserved at that time in memory of some of the older men who had been in the first Klan.

The 1915 Klan probably hit its high point of public acceptance in the year, 1925. During that year about 25,000 robed and hooded Klansmen paraded on foot and in cars in Washington, D. C. The Klan at that time was broadly spread across the United States, and was not limited to the South at all. The largest single delegations, for instance, in the Washington parade that year, were from New Jersey, Indiana, Ohio, and the Virginias. The Klan had become, during those years, a very substantial political force and power in this country, and remained so until about 1928 when its power began to wane, and eventually it died out prior to World War II.

In the early part of World War II, to some minor degree, the Klan came back through some isolated organizations, primarily in the State of New Jersey, where certain meetings were held jointly by the Klan and the "German-American Bund."

I have here a picture in a book entitled, "Undercover," by John Roy Carlson, showing a photograph taken on August 18, 1940 at a camp of the German-American Bund, depicting a joint meeting between the Ku Klux Klan of that day, and the Bund. This is the only picture which I have been able to locate of the actual meeting itself. I offer it for the Committee's examination.

This particular Klan Organization, which was in operation in New Jersey at that time, was not in any way connected with any of the Klan Organizations which are operating in Louisiana today. However, that particular incident in 1940, and some others of the same period, were the original reasons for the Ku Klux Klan being placed upon the "subversive list" of the Attorney General of the United States, as a subversive organization.

I have here a copy of that list and there are four organizations with Klan names, or Klan backgrounds, on the list. They are: "Ku Klux Klan;" "Associated Klans of America;" "Association of Georgia Klans;" and "Knights of the White Camelia."

The Attorney General of the United States has determined, and officially held as an administrative determination, that these organi-

zations are such as would deny to citizens of the United States their rights under the Constitution. The actual wording of the Attorney General's determination was, in characterizing these groups, that they were: "Organizations which have adopted a policy of advocating or approving the commission of acts of force or violence to deny others their rights under the Constitution of the United States." You will note that these designations were made in the years of 1947, 1948, 1949, and 1950, and are not recent. The Klan organizations operating in Louisiana today were not in existence at that time; they are different and separate groups. Of the four such groups which operate in this State at this time, three of them are totally autonomous in the State of Louisiana, having no ties of any kind outside of the State. The fourth group does have connections outside the State, and I will go into this in detail later.

There is no such thing, gentlemen, as "The Klan." There are about 14 different groups who use the name "Klan," operating across the Southern United States, and up into the Central United States at this time. Four such groups operate in Louisiana.

According to our estimate there are some 18,000 to 19,000 members of all of the Klans in the State of Louisiana at this time. Our estimate of the total strength of Klan members in Louisiana, must of necessity be an estimate, because the Klan leaders with whom we have talked refused to disclose the numbers of their members in any of the different groups. We have made our estimate on the basis of discussions with informants who are actively participating in Klan activities, and to a very great extent from police estimates from many different police sources throughout the State of Louisiana. The Klan started in Louisiana in its most recent form around the year 1959. Immediately prior to this there was no open Klan activity in the State at all. At a later point in the Hearing, I will discuss this with the Committee, and show the Committee why this was.

The four groups in Louisiana may be described as follows: The largest and most substantial is known as, "The Original Knights of the Ku Klux Klan." This group is led by Murray Martin, of Winnsboro, Louisiana, and probably has in the neighborhood of 14,000 or more members in the State. This comprises the great bulk of the Klan members within the jurisdiction of this Committee. The Original Knights of the Ku Klux Klan is descended from an organization which was known as, "The Old Original K K K," which first chartered a group in Louisiana in 1959 in the Monroe area. The Imperial Wizard of the group at that time was a man named Davis from Dallas,

Texas; and the Grand Dragon in Louisiana was a man named Young from Shreveport. There have been certain modifications of the name and form of the organization since, until it now appears in the current configuration which I have described to you.

The second largest Klan Organization in the State of Louisiana at this time is called, "The United Klans of America." The Imperial Wizard of this group is Robert Shelton, of Tuscaloosa, Alabama; and the Grand Dragon in Louisiana is a Mr. J. M. Edwards, of Jonesboro, Louisiana. This Klan group is the only one that has any definite ties, organizationally, with any other organization outside the State of Louisiana.

The third largest Klan group in Louisiana is an organization called, "The Louisiana Ku Klux Klan." We have, in our Staff studies sometimes called this group the "Felician Group," or the "Five Parish Group," because it operates mainly in five Parishes, all bordering on the Mississippi line to the north and east of Baton Rouge, namely: East and West Feliciana Parishes, St. Helena Parish, St. Tammany Parish, and Washington Parish. It has occasional Klaverns in two or three other Parishes, but it does not operate to any significant degree other than in the five which I have mentioned to you. The leader of this group is, to the best of our information, Charles Christmas of Amite, Louisiana. An interview was scheduled with Mr. Christmas, but he cancelled it and refused to consult with us. He did state that his answers to our questions would be substantially the same as those given by Mr. Murray Martin. The Louisiana Ku Klux Klan is actually an off-shoot of the Original Knights of the Ku Klux Klan. We don't know exactly why they left the leadership of the Original Knights of the Ku Klux Klan, but they have done so, and they are now operating a separate function entirely.

The fourth largest Klan Organization is known as "The Original Ku Klux Klan of America, Inc." The Imperial Wizard, or national head of this group is Houston P. Morris, of Monroe, Louisiana. Mr. Morris was formerly a Klan organizer from Zachary, Louisiana, in one of the other organizations, and he left the other group to form his own Klan. He became Imperial Wizard, from which office he has continued to direct his organization. His group is small, with a small bank-account of less than three figures at the time we made a check on it. His membership is confined, as far as we have been able to ascertain, generally to the Ouachita Parish-Monroe, Louisiana, area. He has extended his operations to some degree into Arkansas, but we are informed that this has not been particularly successful. We talked privately to Mr. Morris but did not formally interview him because

his group is small, and he was not agreeable to a formal interview.

We have been able to interview the two major Klan leaders in Louisiana, the first and most important of which is Mr. Murray Martin, Grand Dragon of the Original Knights Of The Ku Klux Klan. I have already reduced his staff consultation which was taken under oath on April 17 of this year, to writing, and I would like to offer it to the Committee at this time. The Committee has already heard the tape-recording of this Staff Consultation, and we would like to offer into the record the written transcript of the consultation itself.

Let it be accepted.

TRANSCRIPT OF STAFF CONSULTATION HELD ON APRIL 17, 1965, AT 7:22 P. M., at COLUMBIA, LOUISIANA. JACK N. ROGERS, ESQ., COMMITTEE COUNSEL FOR THE JOINT LEGISLATIVE COMMITTEE ON UNAMERICAN ACTIVITIES, PRESIDING.

BY MR. ROGERS:

Under the power vested in me by Senate Resolution #12, Regular Session, 1964, and the Rules of the Committee, I now swear the first witness in this Staff Consultation.

THE WITNESS, MR. MURRAY MARTIN, AFTER FIRST HAVING BEEN DULY SWORN TO TELL THE TRUTH, THE WHOLE TRUTH, AND NOTHING BUT THE TRUTH, SO HELP HIM GOD, TESTIFIED AS FOLLOWS:

DIRECT EXAMINATION

BY MR. ROGERS:

Q—Please give me your name, sir?

A—Murray Martin.

Q—Where do you live, Mr. Martin?

A—In Winnsboro, Louisiana.

Q—Where and when were you born?

A—At Tioga, Louisiana, 1924, June 1.

Q—What do you do for a living?

A—I am a building contractor.

Q—What is the correct name of the Klan Organization you represent?

A—The Original Knights of the Ku Klux Klan.

Q—What is the title of your Klan office, and what level of leadership does that title mean?

A—I am Grand Dragon, and the level of leadership would be

the same as the Chairman of the Board of Directors.

Q—What geographical area does that cover?

A—The State of Louisiana.

Q—Is your Klan Organization connected with any other Klan Organization?

A—We are loosely connected with another Klan Organization, yes, sir.

Q—If so, which one is that?

A—We are connected with the National Association of Klans known as the Associated Klans of America.

Q—Mr. Martin, who is the national head of your Klan Organization?

A—We have no national head.

Q—As I understand your testimony, you are the head in the State of Louisiana, is that correct?

A—That's true.

Q—How and by whom are the objectives of your organization determined?

A—They are determined by a Board of Officers.

Q—Is it a large Board?

A—Relatively small.

Q—Are the people who determine your policy on this Board all citizens of the State of Louisiana?

A—That is right, that is true.

Q—Is your organization connected in any way with the Communist Party?

A—Definitely not.

Q—How about any other foreign party, or agency, or government?

A—No, sir.

Q—Would you care to elaborate on that, sir?

A—One of our questions asked of all candidates is this: "Do you esteem the United States of America and its institutions above any government, civil, political, or ecclesiastical in the whole world?" And another one is: "Are you absolutely opposed to and free of any allegiance of any nature to any cause, government, people, sect, or ruler that is foreign to the United States of America?" Both of these questions must be answered "yes" before the candidate can proceed.

Q—Are these questions asked your prospective members under oath?

A—They are.

Q—Is any Pledge or Oath of Allegiance required of all of your members?

A—Yes.

Q—Does this in any way infringe upon, or negate, complete loyalty to the Constitution of the United States?

A—No, sir, in fact they must swear allegiance to the United States to become a member.

Q—Would you mind telling us what words are required to do this? Can you do this?

A—I can and I will. This is part of the Oath: "I most solemnly assert and affirm, that to the Government of the United States of America, and any State thereof of which I may become a member, I sacredly vow unqualified allegiance above any other, and every kind of government in the whole world. I here and now pledge my life, my property, my vote, and my sacred honor to uphold its flag, its Constitution, and Constitutional Laws and will protect, defend, and enforce same unto death."

Q—Mr. Martin, what is the policy of your Organization as to law violations?

A—I will again quote from our Oath: "I swear that I will always, and at any and all times, and in all places, help, aid, and assist the duly constituted officers of the Law in the proper perform-

ance of their legal duties."

Q—Would you explain what policy your Organization has toward a member who might be involved in a crime, caught, and convicted?

A—If and when he is convicted, then he is either expelled or banished from the Organization. Does that explain it pretty well?

A—Yes, sir.

Q—What are the qualifications for membership in your Organization?

A—Of course, a man must be of good character, first.

Q—How do you determine that, Mr. Martin?

A—We have a system of elections whereby a man may enter into our Organization, and he is first invited to join after having been cleared by all of the members, and his name is published in two regular meetings, and any one man in the Organization can, if he so desires, stop the admittance of any man.

Q—By "Organization" you mean on the local level?

A—On the local level.

Q—Do you have any special name for the local level group?

A—Klavern. This also is in our Oath and I would like to give that to you.

Q—Would you, please?

A—The candidate or the man being initiated has to swear that: "I will never recommend any person for membership in this Order whose mind is unsound, or whose reputation I know to be bad, or whose character is doubtful, or whose loyalty to our Country is in any way questionable."

Q—What other qualifications do you have for membership, Mr. Martin?

A—A man must first believe in the tenets of the Christian Religion. Would you like for me to give you all of the qualifying questions?

Q—Would you, please?

A—All of these questions must be answered "yes" by any person seeking admittance into our Organization: First, "Is the motive prompting your ambition to be a Klansman serious and unselfish?" Second, "Are you a native-born white gentile American citizen?" Third, "Are you absolutely opposed to, and free of any allegiance of any nature to any cause, government, people, sect, or ruler that is foreign to the United States of America?" Fourth, "Do you believe in the tenets of the Christian Religion?" Fifth, "do you esteem the United States of America and its institutions above any other Government, Civil, Political, or Ecclesiastical in the whole world?" Sixth, "Will you, without mental reservation, take a solemn oath to defend, preserve, and enforce same?" Seventh, "Do you believe in Klanishness and will you practice same towards Klansmen?" Eighth, "Do you believe in, and will you faithfully strive for the eternal maintenance of white supremacy?" Ninth, "Will you faithfully obey our Constitution and Laws and conform with them to all of our usages, requirements, and regulations?" Tenth, "Can you always be depended upon?"

Q—Mr. Martin, are there any other qualifications for membership other than the ones you have read to me?

A—I believe not. I would like to say that we are trying our best to eliminate any undesirables from our Organization. I would also like to state that we have no sex-perverts, or homosexuals, or beatniks in our Organization, and I defy anyone to find them.

Q—Approximately how many members do you have in the State of Louisiana?

A—This, I must respectfully decline to answer, since to answer it would put me in violation of the Oath that I have taken to the Klan.

Q—What are the objectives of your Organization?

A—Our objectives are to return our Government to the Constitution. We believe in constitutional government. We have a set of goals, a written one that I would be glad to send you. I am sorry I do not have one with me. It lists our goals and our hopes for the future. Of course, our prime purpose is the preservation of individual and national liberty.

Q—Do you ascribe, as an organization, to this written state-

INVISIBLE EMPIRE

Knights of the Ku Klux Klan

I, the undersigned, a native born, true and loyal citizen of the United States of America, being a white male Gentile person of temperate habits, sound in mind and a believer in the tenets of the Christian religion, the maintenance of White Supremacy and the principles of a "pure Americanism," do most respectfully apply for membership in the Knights of the Ku Klux Klan through Klan No. _____, Realm of _____.

I guarantee on my honor to conform strictly to all rules and requirements regulating my "naturalization" and the continuance of my membership, and at all times a strict and loyal obedience to your constitutional authority and the constitution and laws of the fraternity, not in conflict with the constitution and constitutional laws of the United States of America and the states thereof. ment of principles that you are going to send me—this written statement of objectives?

A—Yes, I do.

Q—By what means does your Organization propose to realize these objectives?

A—Through governmental affairs, the education of ourselves and the general public as to the trend of Government towards the left and continuing headlong flight towards Communism.

Q—I understand from this that you mean primarily by education, is this correct?

A—Well, no, of course, after you educate yourself, then we will vote at the polls to remove such scoundrels that propose and keep proposing legislation to sell us to the "one world government."

Q—Does your Organization in any way propose to achieve its goals by violence, or any means other than the political action that you are describing?

A—No, sir, we do not advocate violence.

Q—Mr. Martin, what protection have you got built into your organizational structure or procedures to protect your Organization from people who would use the cover of the existence of the Klan to commit crime?

A—Our Organization actually is based upon, and its primary function is by, Committees; such Committees as an Investigating Committee, and should this violence, or lawbreaking, or crime come to our attention, of course, this Committee would investigate, and should we be successful, we would turn the person over to the Law, or at least tell the Law who he was so that we wouldn't get the blame for it. We have gotten the blame for a lot of it in the past and we hope we can help to stop it. Our prime purpose, of course, is not to avoid the blame, but to assist the law enforcement officers in their duties. As I have already stated, that's in our Oath that we should do so, and we do.

Q—Will your furnish our Committee with samples of the literature and printed materials used by your Organization? You understand, we don't expect you to give us something that you have sworn to keep secret, but we would like samples to the limit of what you

as to make the klavern almost dark. All must remain as still and as quiet as possible; there must be no moving, talking or noise only as the ceremony requires. Striking matches and smoking during the ceremony is absolutely prohibited. If an officer has to read he must use an electric flash-light, and throw the light only on the page he is reading. When all are ready the Klargo will answer the signal of the Kladd with Alhw and begin to Oda.

Kladd, (On Sides the Kladd will say to his party): "Sirs: The portal of the Invisible Empire is being opened for you. Your righteous prayer is being answered and you have found favor in the sight of the Exalted Cyclops and his klanmen assembled. Follow me and be prudent."

As the Kladd approaches with his party the threshold of the inner door, the Klargo will stop them by facing them with Tsol-e. He will then recover Tsol-e, face inward and stand erect and steady. (The Kladd, or person selected, just previous to this has stationed himself near the door where he can be heard by the candidates but not seen by them.)

Kladd—

"God give us men! The Invisible Empire demands strong

Minds, great hearts, true faith and ready hands.

Men whom the lust of office does not kill;
Men whom the spoils of office cannot buy;
Men who possess opinions and a will;
Men who have HONOR; men who will NOT

LIE;

Men who can stand before a demagogue
And damn his true heroic flatteries without
winking!

Tall men, sun-crowned, who live above the fog
In public duty and in private thinking;
For while the rabble, with their thumb-worn
creeds,

Their LARGE professions and their LITTLE
deeds,

Mingle in selfish strife, Lo! freedom weeps.
Men who serve not for selfish booty,
But real men, courageous, who flinch not at
duty;

Men of dependable character; men of sterling
worth;

Then wrongs will be redressed, and right will
rule the earth;

God give us men!"

After a pause, the Klargo faces the candidates and says;

Klargo, "Sirs: Will you (or each of you) by your daily life as klanmen earnestly endeavor to be an answer to this prayer?"

He then faces the E. C. and says:

Klargo, Your Excellency and fellow klanmen: JUST SUCH MEN are (or just such a man is) standing without the portal of the Invisible Empire, desiring the lofty honor of citizenship therein, and ready and willing to unflinchingly face every duty on him (or

THE MEANING OF AMERICANISM

Americanism is a living, dynamic force governing the lives of our people, who are peculiarly blessed with the opportunity of living under a representative form of government, protected by the most complete instrument of human conduct ever devised by man, the CONSTITUTION of the UNITED STATES.

Americanism is a form of controlled liberty in which the rights of the small and the large are protected. For the greatest good of all, its practical governing principles are clearly enunciated in the DECLARATION of INDEPENDENCE and in the PRELUDE to our CONSTITUTION. Its foundation is the infinite dignity and worth of the individual.

The essence of Americanism is spiritual. It holds that there is a moral God in the universe, and that in virtue of this fact, there is a moral purpose in the affairs of mankind. Our moral actions are precluded by the tenets of the BIBLE and the MOSES and the TEN COMMANDMENTS. The very essence of Americanism is the protection of personal liberty and property from the encroachments of others and from GOVERNMENT itself. It recognizes no ally, both the will of the people and the claims of the masses.

Americanism holds that every person has an inherent right to think, to act, to express opinions, to stand before the law, and to large his belongings without fear. It gives each American, whether rich or poor, white or black, Jew or Gentile, the right to challenge wrong and oppression without the threat of retaliation. It holds that every American be given the right to stand in the will of his country, and to find the answer to his life there and his death. Americanism holds that the right to be treated for all, not merely for the privileged.

Our ethics, our morality, our civil organizations and our highest moral philosophy, are all based upon a sense of moral obligation to others, and a spirit of brotherhood transcending that of other people to the entire world.

Americanism, however, is not a one-way street. It imposes rightful obligations upon individuals and groups to pay the price of living with a measure for the welfare of the community, state, and nation.

Americanism is humanity's most glorious experiment in the prime of living. If this experiment should fail, civilization itself might be doomed. The nation's greatness, its continued success is a permanent obligation, dependent on the life and progress of the great AMERICAN. Americanism is the only principle that has ever been put to the test of life.

And in this hour of crisis, when the life of our heritage of Americanism is seriously threatened by a ruthless, Godless Communist conspiracy to nullify or to overturn the Bill of Rights, which could destroy the incentive of our citizens to create and produce as well as labor, we will defend our heritage, let every loyal American have confidence in his own sense of the moral principle of the American the first great obligation to the honor of Americanism in the DECLARATION of INDEPENDENCE.

AND FOR THE SUPPORT OF THIS
DECLARATION, WITH A FIRM RE-
Liance ON THE PROTECTION OF
DIVINE PROVIDENCE, WE MUTU-
ALLY PLEDGE TO EACH OTHER
OUR LIVES - OUR FORTUNES - AND
OUR SACRED HONOR

can furnish us, to see what type of thing you are using in your training, and in your educational program?

A—I will be glad to furnish you with samples, a lot of which is not our own. We use other Organizations' literature, and we learn by it; but of course, we have literature of our own, and I can and will send you some of this.

Q—Mr. Martin, do you have anything you want to add to your testimony?

A—Nothing that I can think of.

Q—I would like to thank you for our Committee. This is the end of the Staff Consultation. The time is 7:48 P. M.

TESTIMONY OF JACK N. ROGERS, JUNE 16, 1965, (CONTINUING):

BY MR. ROGERS:

The leadership of this particular Organization, The Original Knights of the Ku Klux Klan, as well as that of the various other Klan groups in Louisiana, appears to be composed of persons of some stature, and ability. I would like to next offer the transcript of a Staff Consultation held on April 23, with Mr. J. M. Edwards, the Grand Dragon of The United Klans of America, Inc. The tape-recording of this has already been played, Mr. Chairman, for some of the members of this Committee, and we offer the transcript into the record at this point.

Dear Sir:

Since reading an article in the Shreveport Times last Saturday, February 13, under dateline "Washington and AP, I have been somewhat perplexed. It concerned an investigation of the Ku Klux Klan, a general term, along with three other organizations.

Now, Mr. Knowles, I have invited Mr. Edwin J. Willis, whom I understand you know, and have welcomed an investigation of United Klans of America, Inc. and have requested that the findings of HUAC be published.

By virtue of your relationship with the Joint Legislative Committee on Un-American Activities, I also invite your committee to investigate ~~the~~ organization also and make public your findings.

If you would be so kind as to encourage Mr. Willis to investigate us and publish his findings, I would appreciate it very much.

Any questions you may have concerning United Klans of America, Inc. I would be very pleased to try to answer.

I shall anticipate hearing from you soon. Meanwhile I remain sincerely,

Yours for God and Country,

J. M. Edwards

"God give us men! The Invisible Empire demands strong
 Men, good hearts, true faith and ready hands.
 Men whom the host of others cannot buy;
 Men whom the spoils of others cannot buy;
 Men who possess opinions and a will;
 Men who love HONOR, men who will NOT LIE;
 Men who can stand before a demagogue
 And damn his treacherous flatteries without
 blinking!
 Tall men, man-voiced, who live above the fog
 In public duty and in private thinking;
 For while the rabble, with their thumb-nails
 crowd,
 Their LARGE pretensions and their LITTLE
 souls,
 March in selfish strife, let freedom wage
 Wrong rule the land, and waiting justice sleep,
 God give us men!
 Men who were not for selfish ends,
 But real men, courageous, who march out at
 duty.
 Men of dependable character; men of sterling
 worth;
 These women will be redeemed, and right will
 rule the earth,
 God give us men!"

AN INTRODUCTION TO THE

Knights of the Ku Klux Klan

STATE OFFICE
 DRAWING
 HODGE, IA.

AN INTRODUCTION TO THE KNIGHTS OF THE KU KLUX KLAN

After the cannon fell silent and peace descended upon the battlefields of the great Civil War, there came a dark and infamous chapter of American History called, "The Reconstruction". From this era, this abyss of utter human misery and despair, there arose like the morning sun the KU KLUX KLAN. This Order provided for the people of the South the leadership and rallying point to begin their long and arduous struggle to regain their lost dignity. The noble and glorious ride of the Ku Klux Klan of the Reconstruction era is immortalized by its achievements. No errors of omission or commission by prejudiced historians can dim the lustre of its deeds, or rob it of its rightful place in history as the saviour of the South, and, thereby, the saviour of the nation; for had there been no ride of the Ku Klux Klan there would not today be fifty stars in the flag that graces the dome of our National Capitol.

To keep alive the memory of the original Klan and the principles, traditions and institutions which they risked their lives to preserve for themselves and for posterity, the men of today, who appreciate their patriotic and chivalric work, have established a living, lasting memorial to them by the organization of the United Klans of America. Knights of the Ku Klux Klan. The United Klans of America, KKKK, is a national fraternal order composed of real American manhood of the nation who uncompromisingly believe in perpetual preservation of the fundamental principles, ideals and institutions of the pure Anglo-Saxon civilization and all the fruits thereof.

WHAT THE KLAN STANDS FOR

A. AMERICA FIRST: First in thought, first in affections, and first in the galaxy of Nations.

B. BENEVOLENCE. In thought, word and deed based upon justice and practically applied to all. To right the wrong, to succor the weak and unfortunate, to help the worth, and to relieve the distressed.

C. KLANISHNESS. Real fraternity practically applied—standing by and sticking to each other in all things honorable, encouraging, protecting, cultivating, and exemplifying the real "fraternal human relationship," to shield and enhance each other's happiness and welfare. A devoted unfailing loyalty to the principles, mission and purposes of the Order in promoting the highest and best interest of the community, state and nation.

WHAT THE KLAN IS

The Knights of the Ku Klux Klan is a fraternal order promulgating fraternal conduct, and not merely a "social association." It is a duly incorporated, legally recognized institution, honest in purpose, noble in sentiment, and practical in results that should command the hearty respect of all real Americans throughout the nation. It is an association of Real Men who believe in being something, in doing something worthwhile, and who are in all things 100% pure American. Yet, it is vastly more than merely a social fraternal order.

PREREQUISITES TO CITIZENSHIP IN THE INVISIBLE EMPIRE

This order is founded upon dependable character. It is not an ultra-exclusive institution, but its membership is composed of "picked" men.

No man is allowed in this Order who hasn't manhood enough to assume a real Oath with serious purpose to keep the same inviolate.

No man is allowed in the Order who will not or cannot swear an unqualified allegiance to the Government of the United States of America, its flag and its Constitution.

No man is allowed in this Order who does not esteem the Government of the United States of America above any other government, civil, political or ecclesiastical in the whole world.

No man is allowed in this Order who cannot practice real fraternity towards each and every one of his oath-bound brothers.

Only native-born, white, gentile, protestant, American citizens of at least eighteen years of age, who believe in the tenets of the Christian religion, and owe no allegiance of any degree or nature to any foreign government, nation, political institution, sect, people or person, are eligible.

Because certain individuals at various times have committed acts of violence under cover of darkness and shielded by masks and robes somewhat resembling the official regalia of the Knights of the Ku Klux Klan, they have been classed as members of this organization. The Knights of the Ku Klux Klan is a strictly law-abiding organization and every member is sworn to uphold the law at all times and to assist officers of the law in preserving peace and order whenever the occasion may arise, and any member violating this oath would be banished forever from the organization.

Exhibit 10. Policy statement furnished by Mr. J. M. Edwards.

Exhibit 11. Page 2 of Exhibit No. 10.

If there be any white American citizen who owes allegiance to another flag save our American flag, who cannot subscribe to and support these principles, let him forever hold his peace, for he is basely unworthy of the great flag and its government that guarantees to him life, liberty and the pursuit of happiness. A person who actively opposes these great principles is a dangerous ingredient in the body politic of our country and an enemy to the weal of our national commonwealth.

The Knights of the Ku Klux Klan of today rides on, not upon the backs of the faithful steeds of yesterday, but in the mind, heart and soul of every true American citizen who loves our great country and who glories in the name America, and who is honest enough as a grateful son to perpetually memorialize the heroism of our fathers and transmit the boon of our priceless heritage untarnished, uncorrupted and unaltered to the generations who follow us that the justice of our age may increase in splendor.

The Knights of the Ku Klux Klan, regardless of statements made to the contrary, either through ignorance or with deliberate intent to misrepresent it, has not made, is not now making and does not intend to make any fight on the Roman Catholic Church as a religious institution, but it will unflinchingly and unequivocally oppose any move of the Catholic Church or of any other church, individual or organization, which attempts to bring about a combination of church and state in these United States.

The Knights of the Ku Klux Klan concedes to every man the right to worship God as he sees fit and in his own way, or to worship Him not at all, and while it adheres strictly to the tenets of the Christian religion, it seeks no quarrel with any individual or organization because of religious differences.

The Knights of the Ku Klux Klan is not the enemy of the negro. It opposes and will continue to oppose, the efforts of certain negro organizations and periodicals which are sowing the seeds of discontent and racial hatred among the negroes of this country by preaching and teaching social equality and mongrelization of the races. We believe, it is possible for the races to live together in peace and unity only upon condition that each race recognize the rights and privileges of the other. Yet, we hold it is obligatory upon the negro race, and upon all other colored races in America to recognize that they are living in the land of the white race by courtesy of the white race; and the white race cannot be expected to surrender to any other race, either in whole or in part, the control of its vital and fundamental governmental affairs.

There are rights which the negro race and all other colored races have as citizens of this country which the white race—the ruling race

—is bound to respect, but they must not, individually or collectively, lose sight of the fact that the white race is the ruling race by right of inheritance; and that it does not intend to surrender this right or to compromise it with any other race—black, yellow or brown.

Let the negro race and all other races living within our borders advance and develop and prosper all that they may, but let it be done through their own initiatives and within their own race without encroachment upon the rights of other races. Let them understand that in the long run the white man always has proved himself the truest friend and the safest counselor of all other races in whatever land or clime the races have come in contact, and let them not be misled by false prophets who for personal gain appeal to their passions and prejudices by wild promises that they know can never be fulfilled.

No Jew can obtain citizenship in the Knights of the Ku Klux Klan. At every Klavern meeting Jesus Christ is lauded and his teachings expounded. The constitution and regulations of the Order set forth that the living Christ is the Klansman's criterion of character. Therefore, it would be unjust to allow the Jew to enter into the fellowship with the Klavern by appealing to his patriotism, and then have him cease to attend because every meeting would be out of harmony with his religious convictions.

THE KNIGHTS OF THE KU KLUX KLAN AND COMMUNISM

Be it known, that the Knights of the Ku Klux Klan was YESTERDAY, is TODAY and will FOREVER be opposed to Communism in any form and to its fellow-traveler organizations. The Knights of the Ku Klux Klan will fight to our last breath, using every means at our disposal to rid our country of this insidious plague of mankind.

Q—What process is used to determine policy or objectives?

A—A democratic assembly, Mr. Rogers.

Q—Is your organization connected in any way with the Communist Party, or any other foreign party, agency or government?

A—No, sir, it is not.

Q—Is any pledge or oath of allegiance required of all of your members?

A—Yes, indeed.

Q—Does this oath in any way infringe upon, or negate, complete loyalty to the Constitution of the United States?

A—No. Mr. Rogers, did you say "infringe or negate?"

Q—Does the oath which your members take infringe upon their loyalty to the United States, or negate in any way their loyalty to the United States?

A—No, sir, that oath does not.

Q—Would you explain that, please?

A—(No answer.)

Q—Can you give me the oath?

A—I will explain that, Mr. Rogers. The oath swears unqualified allegiance to the government of the United States of America, its Constitution and laws. May I just quote the section which has to do with allegiance?

Q—Go right ahead.

A—"I most solemnly assert and affirm that to the government of the United States of America, and any State thereof of which I may become a resident, I sacredly swear an unqualified allegiance above any and every kind of government in the whole world. I here and now pledge life, property, vote and sacred honor to uphold its flag, its Constitution, and Constitutional Laws, and will protect, defend and enforce same unto death."

Q—Mr. Edwards, what is the policy of your organization as to law violations? Is there anything in your oath concerning this?

A—The attitude of the Order concerning law violations is the same as it would be on the part of any good American citizen. I repeat that for you: "I most solemnly promise and swear that I will always, at all times, and in all places, help, aid, and assist the duly constituted officers of the law, in the proper performance of their legal duties."

Q—What are the qualifications for membership in your organization?

A—He must be a white man, a Protestant person who believes in the tenets of the Christian Religion, and of sane mind, of course.

Q—Do you do any screening of people to keep out undesirable elements or people who might have criminal records, or anything like that?

A—The very best that it is possible to do.

Q—What do you do after you have gotten members in if you find out that they are involved in violations of law?

A—(No answer.)

Q—How do you take care of that, how do you handle that within your organization?

A—Any member or any person, for that matter, whose unlawful acts come to the attention of our people are reported to the proper authorities. Our organization does not harbor those who commit unlawful acts.

Q—Are they allowed to remain in the organization?

A—No, sir, this Order does not provide for a person who conducts himself contrary to the tenets of the law he has sworn to uphold, rather than to violate. As soon as any act of unlawfulness is discovered on the part of a member of this Order, he is immediately expelled.

Q—Approximately how many members do you have in the State of Louisiana, Mr. Edwards?

A—I am not at liberty to answer that question, Mr. Rogers.

Q—Can you tell us how many local Klaverns you have in Louisiana?

A—No, sir, I am not at liberty to reveal that.

Q—Why is that, are you sworn under some oath not to reveal that?

A—Yes, sir.

Q—What are the objectives of your organization?

A—The objectives of this Order shall be to unite all white male persons, native-born gentiles of the United States who owe no allegiance of any nature to any other government, nation, institution, ruler, sect or people; to unite people whose morals are good, whose reputations and vocations are respectable, whose habits are exemplary, who are of sound mind, and 21 years of age or more, to a common oath of brotherhood of strict regulations, and also to cultivate and promote patriotism toward our civil government.

Q—After you unite them, is the function of the organization directed solely at improving yourselves, the members, or do you have some outward manifestation of your objectives?

A—Certainly it has as its objective to improve the individual, and I think this is best done by virtue of the fact that we hold Christ himself as our criterion of character, and never in a Klavern meeting will a person stay without hearing the name of Christ proclaimed, and His principles sounded. Then in the community, I think that you will find it hard to determine any difference in the works of the people in this Order and in any other civic service, or social organization, because I think the efforts overlap in every one of these areas.

Q—Do your members aim, and are the objectives of your organization in any way directed, toward political action?

A—No, sir, I couldn't say that they are directed toward political action, but certainly men with these objectives would participate in governmental affairs; that's a responsibility of any citizen.

Q—How do you propose to realize the objectives that you have set forth here, by any means other than education?

A—What other means are there?

Q—What is the attitude of your organization toward violence?

A—A member of this Order is not going to engage in violence.

violators to the local police authorities in any area? Do you know of any specific incident where this has been done?

A—I cannot speak for any area outside of Louisiana, but I am very happy to report that it has not come to my attention.

Q—Mr. Edwards, how are your officers of the Klan elected at the different levels?

A—Through a democratic process, by the membership.

Q—How do you get elected to the office which you hold?

A—By the same process, it is not a dictatorial organization, Mr. Rogers.

Q—Are you elected by popular vote of all the members in the State, or are you elected by a Board which is elected by the members throughout the State?

A—No, sir, perhaps like people are elected on the national level, by delegates representing a certain number of people.

Q—Have you any control as Grand Dragon of the State of Louisiana over the local Klaverns?

A—Only through the people who are elected to maintain the order in those Klaverns.

Q—Do you have any veto power over the chosen officers of the local Klavern?

A—In case their conduct is contrary to the oath and the Constitution.

Q—You do?

A—Yes, sir, in that case.

Q—Have you any disciplinary powers available to you over the members in the local Klavern, if you had learned that something had gone on which was contrary to your basic rules? Could you do anything about it if the local Klavern officers did not?

A—Yes, sir.

Q—Do you actively maintain responsibility over the local Klaverns to the best of your ability?

THE KLAN'S ANSWER TO LYNDON JOHNSON

On Friday, March 26, 1960, Lyndon Johnson, President of the United States, attacked one of the most patriotic organizations in this great land. He warned every Klansman to get out of the Ku Klux Klan and to join a "secret" society for the Klan was going to be investigated and destroyed.

Lyndon Johnson, we know that we are not a perfect organization. We have a few mistakes just as surely as there has been a world recently elected President of the United States. We do not advocate murder in any form for any cause, yet you condemn an entire organization for the actions of a few and they have got to be proven guilty. We do not run down everyone in the Democratic Party for your actions. Lyndon Johnson.

Mr. Lyndon, you are wrong about the Ku Klux Klan. You can no more destroy us than you can destroy the Braves or the Texans. Live with all your ill-will and ill-will Power, the Left Wing News Media, the N. A. A. C. P., C. O. C. C., and all of the other Communist and socialist rabble rousers, we will survive. For while there is a flicker of life in one true Klansman, the Klan will never die.

It is you, Lyndon Johnson, that has turned his back on the white people of this country, on the Ku Klux Klan. It is you, Lyndon Johnson, who should join a "secret" society. Now you, Lyndon Johnson, that expressed shock and anger when an Agitator was killed in Alabama. You even telephoned your sympathy to her family. Yet when a White Law Officer is murdered by Niggers in Mississippi you did not see fit to condemn it or telephone her widow. Were you not shocked and angered by this, Lyndon? Where is your sense of "secrecy"?

In trying to your investigations, Lyndon. We have nothing to fear, for we know that ours is a just cause. We fight for the integrity and Constitutional Government. Are we fighting for too much, Lyndon? The Klan will disband when every Communist and integrationist is driven from our shores. We will fight with every means at our disposal, at the Ballot Box, in the Streets, or in the Hills, if necessary, for we shall never surrender. THIS IS OUR ANSWER!

KU KLUX KLAN

to carry out private crimes. There have been several reported instances of this in the State. Any individual with a grudge and a bed-sheet can commit crime in Louisiana, or elsewhere throughout the South, and get the blame placed on the Ku Klux Klan.

The second weakness of the Klan seems to be the ease with which they have been infiltrated by the police.

The third weakness of the Klan is the fact that they have no centralized leadership, or coordination. They have several strengths which have aided them materially in recruiting and maintaining their organizational structure. First is the unfortunate fact of Communist infiltration into the various social and political movements which are active in the Southern United States at this time, and the fear of the average citizen over being unable to do much as an individual to combat this infiltration.

Another strength is the frustration of many of the citizens of the State with the Supreme Court's strange and sometimes inexplicable decisions which they believe do violence to well-established principles of constitutional law, and help the Communist Conspiracy.

Another reason for the strength of the Klan is the frustration of many citizens with the forced racial-mixing policies of the Federal Government at this time.

A further strength is the fact that the Klan in Louisiana at this moment is basically a "grass-roots movement," rather than a philosophy imported from abroad. It is spontaneous and based upon statements of policy which embody many of the fundamental basic political concepts of American freedom.

A further strength of the Klan in Louisiana is the fact of the historical tradition of America for the people to protect themselves when they feel they are not being properly protected by their government.

One final strength of the Klan is the innate affinity of many people for secret organizations, complicated rituals, and quasi-conspiratorial activities.

We have obtained from police sources, and from certain leaders of the Klan who supplied them to us at the time of their staff consultation, some exhibits which I think will be of interest to the Committee, and I would like to offer some of them at this time. First I would like to offer from our own research, a clipping from "The Worker," the official publication of the Communist Party, U. S. A. This is an editorial entitled, "An Evil Institution," which discusses the House Committee on Un-American Activities, and its forth-

coming investigation of the Ku Klux Klan. The Worker alleges generally that the House Committee on Un-American Activities, and the Ku Klux Klan throughout the United States, are closely in league, and that the House Committee has aligned itself with "Racists" and "Ultra-Rightists" who are blood brothers to the Klansman, and that these people dominate the House Committee on Un-American Activities. We offer this into the record, Mr. Chairman.

BY SEN. KNOWLES:

Let it be accepted.

BY MR. ROGERS:

Now, from Mr. Murray Martin, the Grand Dragon of the original Knights of the Ku Klux Klan, we obtained some excerpts from policy statements contained in the secret Klan book, or manual, which is used in Klan rituals. This Book is called the "Kloran." Mr. Martin furnished us with some excerpts from it in the form of a statement of policy on one page which we offer into the record, and some excerpts from the Oath which is used by this particular Klan group which we also offer into the record, Mr. Chairman.

BY SEN. KNOWLES:

Let it be accepted.

BY MR. ROGERS:

Mr. Martin further provided us with a list of 50 reasons offered by his organization as to why a person should be a member of the Original Knights of the Ku Klux Klan, which we offer into the record.

BY SEN. KNOWLES:

Let it be accepted.

BY MR. ROGERS:

We have also obtained from Mr. Martin a copy of an application for membership in the Knights of the Ku Klux Klan, which we offer into the record.

BY SEN. KNOWLES:

Let it be accepted.

An Evil Institution

The conviction in Washington last week of Mrs. Dagmar Wilson, Mrs. Donna Allen and Russ Nixon for "contempt" of Congress shows once more the great power for evil of the House Un-American Committee.

What was the "contempt" for which they were convicted? They had refused to testify in secret session for the House Un-Americans. What was it that the House Un-Americans wanted to do? To distort an action by these peace seeking people in seeking State Department approval for a visa for a Tokyo professor to come to this country to speak at a peace meeting.

The aim of the Un-Americans undoubtedly was to re-establish the atmosphere of fear that enveloped the nation when the Un-American and the McCarthyites had paralyzed the nation in the late 1940's and early 1950's.

Then the promotion of the cold war was the aim; today the aim is the escalation of the dirty war in Vietnam.

But Mrs. Wilson, of the Women Strike for Peace, Mrs. Allen, of the Women's International League for Peace, and Nixon, general manager of the National Guardian, courageously defied the House Un-Americans. It is for this that they have been convicted.

The House Un-Americans, the most flagrant subverters of the U.S. constitution in the nation's history, want to make it a crime for citizens to contact government agencies, and for a newspaper to provide information for its readers.

In truth, this is the latest move in the House Un-Americans' continuous war against the Bill of Rights, in this case, the rights of the people to petition their government and of freedom of the press.

★
AND THIS is the committee that has grabbed for itself the job of "investigating" the Ku Klux Klan. With racists and ultra-rightists — blood brothers to the Klansmen — dominating the House Un-Americans, the nation can expect to see the KKK sheets, which are stained with the blood of its Negro and white victims, come out clean white.

The House Un-Americans are the enemies of all that every decent American wants — peace, equality for all people, economic security. Most of the nation holds the Un-Americans in contempt. They maintain their uneasy existence by intimidation and threat.

Exhibit 15. Clipping from the Communist newspaper, "The Worker", concerning the Klan.

BY MR. ROGERS:

Also, a Klan statement on "The Meaning of Americanism," which we offer into the record.

BY SEN. KNOWLES:

Let it be accepted.

BY MR. ROGERS:

Further, an excerpt from the Kloran in use by that group, showing the function of various committees in the committee-system of government used in the Klan Organizations, which we will offer into the record.

BY SEN. KNOWLES:

Let it be accepted.

BY MR. ROGERS:

And finally the complete text of a Klan booklet called, "The Seven Symbols of the Klan," on five photographed pages which we will offer into the record. This is interesting in that it discusses the basic creed of the Klan, and the significance which the seven symbols used by the Klan have in Klan activities. This information was obtained, as I said, from Mr. Murray Martin.

BY SEN. KNOWLES:

Let it be accepted.

BY MR. ROGERS:

We also obtained from Mr. J. M. Edwards of the United Klans of America, three leaflets which we have reproduced, pictures of which I offer into the record at this time. Among others which he gave us, these are samples of the literature which is used by his particular Klan Organization. We offer them into the record.

BY SEN. KNOWLES:

Let them be accepted.

BY MR. ROGERS:

We also offer into the record a copy of a letter from the said

TRUE NINLE

THE CROSS

It was just a sign of ignorance, ignorance and anger, her being backed in the blood of the Jew.

We have added the last to signify that "HURRY!" IS THE LIGHT OF THE WORLD. As light drives away the darkness and shows us a knowledge of the good things God has for us, we are to be a shining people, gold, silver and precious stones, the desire of the throne, a man, a woman, or a child, so that all who see us will be drawn to God to purify and cleanse us. Because we are saved by our faith and the love of **THIS SAVIOR**, who has shed his precious blood, so that we may receive, holy light shines from within us by a holy desire and determination to be a shining one! "BY THIS LIGHT WE KNOW OUR WAY."

THE FLAG

As REG to the MEXICAN of American nation that

the FREEDOM of AMERICAN DEMOCRACY and the
SANTITY of AMERICAN NATION. In MEXICO is not
a patch of America would have been created from
the democratic people that have not and
never had. In THIS respect, as representing

alienable union.

It's whiter as the milk of the
mountain leeches snow,
It's blue as the blue of the
evening, sea and sky
It's every one of these and more
than I can tell you!"

When the signal under their hands and Sargies, remembering the earlier incidents that occurred about a body pose, without feeling that sublime passionism is inspired we noble ones to die for OUR CHINA, OUR NATIVE LAND!

THE WATER

As water is essential to human life, so may we as Klansmen be useful to humanity. As drops of water unite to form a stream, so may we, as Klansmen, become an united, cohesive force. May we, as Klansmen, become an united, cohesive force with the other drops we will be able to do much for our body is Klanslike. That we use the water, the symbol of unity, cleanliness and purity. The water falls in two from the drops of water, the leaves of trees. Klanslike, and of brotherhood is a common desire to be kind and

THE MORE

We use the robe in exactly what we do not judge men by the clothes they wear, and so cancel the difference in our clothing as well as our personality. There are no such as poor, high or low, or hierarchical. As we look upon a body of Klamann colored, or white, we are instinctively reminded that they are all of human level. By this means we also help to cancel our identity, which is an essential principle of Klamann.

This white tube is also a symbol of the cause of righteousness to be seen by the hands on the land as Y-T-H-I-A-T. The age apostle, a prisoner on the island of Patmos, passed upon the shores of the Great Beyond, and caught a glimpse of that sacred tube in white 'which was the righteousness of Christ.' Taking there as was witnessed of himself.

Further from police sources, Mr. Chairman, we have obtained a copy of "The Secret Kloran of the Original Ku Klux Klan," which sets forth the Klan Creed, the Order of Business in the Klavern, the definitions of the names given to the various Klan Officers, and the full text of the Secret Oath taken by Klan members. This Kloran is the one used by the Ouachita Parish Group, which is named "The Original Ku Klux Klan of America, Inc.," and we are led to believe that the Oath which is set forth in this particular Kloran is practically the same as the Oath used by other Klan Organizations. We have been unable to obtain a full text of the Oath actually used by the other Klan groups; however, this one that we have obtained, is evidently the same or practically the same as the Oath used by

all of the groups. As I stated to the Committee previously, this particular group from which this came is the smallest Klan Organization in the State, and it is possible that their security measures are less efficient than those of the other groups. This may be why we are able to obtain through police sources, the full text of this Oath. Mr. Chairman, we offer into the record the material which I have just discussed with the Committee.

BY SEN. KNOWLES:

Let it be accepted.

BY MR. ROGERS:

A prime purpose for offering this Oath is, that within the mandate of this Committee from the Legislature, the question of loyalty of citizens to the State of Louisiana, and to the United States of America, inevitably becomes a part of our investigation. The Oath of Allegiance which is shown in this particular secret book, makes quite a point of having the person who takes the Oath swear allegiance to the Government of the United States of America, and I will quote from page 62 here: "I most solemnly assert and affirm that to the Government of the United States of America, and any State thereof of which I may become a member, I sacredly vow an unqualified allegiance above any other and every kind of Government in the whole world. I here now pledge my life, my property, my vote, and my sacred honor to uphold its flag, its Constitution, and constitutional laws; and will protect, defend and enforce same unto death." It's interesting to note that in the excerpts in the Oath used by the Original Knights of the Ku Klux Klan, given to us by Murray Martin, and also in those excerpts given us by Mr. J. M. Edwards, they both quote this particular section of the Oath from their organizations.

Now, in the course of our investigation of the Klan, Mr. Chairman, we came across several interesting facts concerning two other organizations which are not connected with the Klan, but which are carrying on certain clandestine and secretive operations in the State of Louisiana at this time. The first and most important of these organizations is one called "The Robert E. Lee Patriots." This organization is centered in New Orleans and is headed by Alvin Cobb. I have been able to interview Mr. Cobb and take from him a sworn Staff Consultation, which I have on tape here and will be glad to play for the Committee at the conclusion of my testimony. I offer into the record at this time a written transcript of this sworn Staff Consultation which was taken on the 9th of May of this year.

TRANSCRIPT OF THE STAFF CONSULTATION HELD ON
THE 9TH DAY OF MAY, 1965, AT BATON ROUGE, LOUISIANA.
JACK N. ROGERS, ESQ., PRESIDING.

THE WITNESS, MR. ALVIN COBB, AFTER FIRST HAVING
BEEN DULY SWORN TO TELL THE TRUTH, THE WHOLE
TRUTH, AND NOTHING BUT THE TRUTH, SO HELP HIM GOD,
TESTIFIED AS FOLLOWS:

BY MR. COBB: (READING THE QUESTIONS TO HIMSELF.)

Q—The No. 1 question is name, where do you live, where and
when were you born, what do you do for a living?

A—My name is Alvin A. Cobb, I live at 4115 Carondelet Street,
New Orleans, Louisiana. I was born and reared at New Orleans
where my parents are living. I handle researches, abstracts, and land
recovery. I am also president of the Southern Land Recovery Corpora-
tion.

Q—Number 2 question: What is the correct name of the Klan
organization you represent?

A—I never did say that I represented any Klan organization, so
therefore I am not subject to give any name to something that I pos-
sibly have no connection with.

Q—Question No. 3: What is the title of your Klan office, and
what leadership does that title mean?

A—It doesn't mean anything to me, whatsoever.

Q—Question No. 4: Is your Klan organization connected with
any other organization?

A—I am at the head of an organization, I don't claim it to be
a Klan organization, or any other organization—not that I would
be ashamed of it. The reason of the fact that the Federal Government
is promoting the Communist Martin Luther King, who is proceeding
with his "black anarchy," which is destroying the country, and which
in reality constitutes beyond a reasonable doubt the "divide and
conquer plan." As Mr. Khrushchev said, he would be able to take the
country without firing a shot. A part of that question is: If so, which
one and how is it connected? Well, I claim no connection.

Q—Question No. 5: Who is the national head of your Klan organization?

A—When I belong to an organization, whatever it might be, or whatever its motive of organization, or whatever its objectives are, I don't necessarily look to a national leader, I am more or less anti-Communist, which seems to be in these days and times, considered subversive by the Federal Government which promotes Communist organizations.

Q—Question No. 6: Who is the head of your organization in Louisiana?

A—The head of my organization which has no connection, whatsoever, with any other organization is the "Robert E. Lee Patriots," that is my organization in Louisiana, and I am the head of it.

BY MR. ROGERS:

Q—That is the name of the group, the Robert E. Lee Patriots?

A—Yes, sir.

BY MR. COBB:

Q—Question No. 7: How and by whom are the objectives of your organization determined?

A—The objectives of my organization are determined by all Christian citizens who are determined to be extreme and so-called extremists in their desire to stop this country from being completely taken over by the Communists, and are willing to die for what we believe in. We are strictly opposed to Communists, including the Americans For Democratic Action to which the Vice-President of the United States has been affiliated, Martin Luther King, who is now the President of the United States assisted by Lyndon Johnson, and who has the power and authority to call out the Army whenever he sees fit, and to do whatever he thinks proper in order to make the black savage race the supreme race of America, and destroy the white race.

Q—Question No. 8: Is your organization in any way connected with the Communist Party, any other foreign party, agency or government?

A—I would like to ask that question of the President of the United States, the Vice-President of the United States, the members

of the United States Supreme Court, and a whole lot of other people including southern scalawags, and Judas goats who are selling the country out to the Communists. This country is guilty of treason, the rulers, the tyrants who run the country are guilty of treason because treason is defined in Webster's Dictionary as, "aiding, abetting, and giving comfort to the enemy." The President of the United States allows the shipment of wheat during times when the Communist party was ready to disintegrate, that is the foreign Communist Party, because their social-system was breaking down for want of food, that they sold the food to them. This country is furnishing materials of war, which according to Webster's Dictionary is treason beyond a reasonable doubt; and I personally believe that I were in a position to take the President of the United States and Vice-President of the United States, and their constituent the Negro Communist, Martin Luther King, and the members of the United States Supreme Court and put them on the stand, beyond reasonable doubt I could prove that they are guilty of treason; and they are guilty of aiding, abetting, giving comfort to the enemy which is Communism, and in reality, if they are not members of the Communist party, they are Communist helpers, and they are not fit to be Americans.

Q—Question No. 9: Is any pledge of allegiance required of the members of your organization, and if so, does it in any way infringe upon or negate complete loyalty to the Constitution of the United States?

A—The members of my organization are sworn to uphold the Constitution of the United States as it was originally written, to do all they can within their power to return the government to the people and not further the interest of the politician because the people are the ones who form the government, and the Government of the United States did not create the people. They are pledged to do all they can to re-establish and to give re-birth to this Nation so it can once again be a government of, for, and by the people.

Q—Question No. 10: What is the policy of your organization as to law violations?

A—We believe in upholding the laws of the land, the law as it concerns the Bill of Rights, and the rights of every American citizen to vote, the right to life, liberty and the pursuit of happiness. We will never believe in the destruction of the Constitution especially as it concerns the "Black Friday" which was brought about by the United States Supreme Court where the Constitution was practically

destroyed and our school system, for one thing, was turned over to the Federal Government, when according to the Constitution, the Bill of Rights and every law the land, the Federal Government has no right or authority to operate the school systems of the United States. Insofar as that is concerned, they have no right or authority to take over free enterprise and destroy States Rights. Now, we are not violent, yet we resent the violence of the "black anarchy"; we do not anticipate doing any sneaky business, or anything for which any other organization might be accused. The fact that certain men who resisted certain organizations which were going to destroy, and had continued to destroy the South during the carpetbagger days, because some men resorted to violence doesn't make us any more guilty today than the Roman Catholic should be held guilty as regards the Spanish Inquisition, or the Martin Luther Reformation Period, or that Mr. Lyndon Johnson should be held guilty because of the actions of Mr. Jenkins, and some of his constituents. Surely I would not give you the President of the United States as being a homosexual, despite the fact that he was so closely associated with a man who had in his hand the most secret, and the most precious secrets of the United States of America, who turned out to be a homosexual, and who was a very close friend of the President of the United States. I would not accuse the President of the United States as being a homosexual, so therefore there is no reason for all of these false accusations about violence. And another thing, if in the event the Federal Bureau of Investigation would be properly used to investigate the Communists who are taking over this country, and they have done a good job so far; if they were used to fight the Communists instead of rendering service to the Communist Negro organizer, Martin Luther King, and if the President of the United States would come out and make speeches against Communism instead of lending support, and giving the full support of our Armed Forces for immoral walks, and trips, and sit-ins, and sit-downs; if the President of the United States would break up all of this Communist operation of Mr. Martin Luther King instead of worrying about anti-Communist organizations, he might be contributing something to good Americanism. It is a crime and a shame that the Federal Government has become servants to the "black anarchy" that now rules the land, and which is also backed up by the Zionist Jews, both national and international, headed by such people as Dombrowski, or whatever his name might be, and Javits, and the defamed defamation society that is out to destroy the purity of the white race, and to create the same as the United Nations intends to do, a one-world government, with a one-world Armed Forces, a one-world religion, and a one-world race of mongrels. We don't intend to take it! Now, this asks

about "law violations." Violations or no violations, when it arrives to defend ourselves against this Communist invasion, it will then be that we will not accept any law to accept Communism because we would rather be "dead" than "red," and at that time we are ready to do what has to be done, the same as George Washington did when the white Christians walked barefooted to oppose the British and were successful in the birth of this country. The same as we did on Lake Erie, and MacArthur did at Pearl Harbor. We are going to have the purity of the white race destroyed, we are going to be forced by force to become a mongrel race, and we are going to accept the doctrine of Communism which began with President Roosevelt and his Communist operations including the Yalta deal, when he put the Communists in business. President Roosevelt called it "The New Deal." Then along came another disciple, followed him, the President of the United States, John F. Kennedy who called it "The New Frontier." Mr. Kennedy was a Fabian Socialist, and the lines of demarcation between Socialism and Communism are so insignificant that it is pitiful. There is no difference in my book, both of them are un-Americanism, both are destructive and both constitute the cancer that is eating away this Nation now, all of which is led by the black hordes of anarchy. We don't intend to be forced to be mongrels or Communists, that's my answer to that question, and we don't intend to be subservient to the United Nations, we believe the American flag should once again fly in dignity and respect to the whole world and not be low-rated such it is throughout the world, where every country we have beaten hates us, where our embassies are being bombed, and where all over the world they are saying, "Go home Yank, go home." The Federal Government first should clean house. Charity begins at home, and we should fight Communism abroad, while the Federal Government itself is contributing to Communism right here in the United States. If it were in my power to have the money to put Mr. Lyndon Johnson and Horatio Humphrey and some of the others who claim to be good Americans, but who in reality are actually practicing the adoption of Communism, to put them on the witness stand. We don't intend to be forced into this issue, and as far as law violations are concerned, Almighty God made us free men, the white people who built this country, those that suffered, persevered, and gave their blood to build this country, and some of those white people were ancestors of mine.

Q—Question #11: What are the qualifications for members in your organization?

A—The qualifications for membership in my organization are

(1) that the applicant must be a white Christian. (2) He must be a good American, a patriot to America, and a loyal Southerner. We are loyal to the South because it is our native land, and if we were not loyal to our native land, surely we could not be loyal to our country in which our native land is only a part; and it's not a question of whether we believe more in the South than the Country, but the fact remains that it's not because we love our Country less, but because we love the white Christian race in the South more. Other than that a man must have a good reputation, he must be responsible, and he must be worthy of carrying out his pledge insofar as resisting Communism which includes to the greater part the Communism which exists in this country.

BY MR. ROGERS:

Q—Are there any other qualifications, other than the ones you mentioned? How about Religion, does that play any part in qualifications?

BY MR. COBB:

A—A man, to belong to my organization, cannot serve God and Mammon. The only reason why he cannot be a Roman Catholic is the fact that the Roman Catholic Church made a deal of peaceful co-existence, the same as the Federal Government, with the Communist Party. We don't deal with Communists. He cannot be a Roman Catholic for the reason that the Roman Catholics are promoting inter-marriage between whites and Negroes. We believe in the purity of the white race.

Q—Question #12: Approximately how many members do you have in the State of Louisiana?

A—How many members we have in the State of Louisiana can thus be answered: We don't give out that information to begin with, but we have enough members of the State of Louisiana to save the State of Louisiana from Communism, because we have branches of the Robert E. Lee Patriots, and we are willing and ready to defend the State of Louisiana, and might have even enough membership to help defend some other States where the people have been living in apathy like the cancer of Communism has taken over. I fear greatly the possibility in the near future of a complete take-over by the Communist Party if, and when, the Federal Government takes over the Medicare and the Federal Government takes over our voting system, and the Federal Government has taken over our schools

already, and everything else. When they take over our spirit we don't want to be in a position of being forced to write letters to Washington, to the people there. Instead of putting Washington, D. C., we will have to put Washington, District of Communism, or District of the Congo, and we are not going to take it and we will give our blood to stop it, and we have got enough men to do it, and we are willing and ready. We are not taking any more of this monkey business about Martin Luther King. He might rule the Federal Government, but we are the Government of the United States, we the people, and we are not going to tolerate any more of this business. And we are sick of the rising crime-rate like the City of New Orleans, 42% raise in crime-rate in one year, and 99% of the crime—I have the records to prove it—are committed by Negroes, armed robbery, murder, rape, dope, and everything else; we are not going to accept it. And, that means this whole business from Washington clean on down. Now, they have infiltrated the colleges, etc., where the fertilizer for this Communism is being used, and the fertilizer is homosexuality. Homosexuality breeds race-mixing, and when they get so low as to do things like that, they become automatically members to the Communist Party, because if they are not loyal to their pride, their respect, and their honor, and they don't have any; when they don't believe in those things, surely they don't believe in anything when they are under the influence of dope or in a homosexual passion where they are ready to sell their country out like Mr. Johnson's friend, Mr. Jenkins. That's my answer to that.

Q—Question #13: What are the objectives of your organization?

A—The objectives of my organization are to do those things which will once again bring back America the way America was. You know this "New Deal" business by Franklin Roosevelt who started it, and then Kennedy with the "New Frontier," and now the President of the United States with "The Great Society." What great society? It appears to be a society of homosexuals, racketeers, socialists, and Communists. We don't want any great society, we are damn well satisfied with the "old time Americanism," that's the only society you want. Insofar as what we stand for, we stand for the preservation of the white Christian race, the purity of the white race, American freedom, civil-rights for white people, not Communists. I repeat, civil-rights for white people and the preservation and the purity of the white race, and freedom for the white Christian people of America. Unlike the Federal Government, we do not believe in helping the Communist Party, we believe in the destruction of Communism. Unlike the Federal Government, we think that our

armies should be used to preserve the Monroe Doctrine, to stop this fortress of the Soviet Union known as Cuba, as we should have stopped it. Unlike the Federal Government, we don't believe in fighting our own people.

Q—Question #14 is: By what means do you propose to realize these objectives?

A—It is my opinion that the greatest power on earth is the will of the people, and from time immemorial the white race has been supreme, so therefore the supremacy of the white race, and the mentality of it cannot be contested, and the will of the people of the white race is to dispense with Communism by doing such things as voting, to dispense with Communism by complaining to these Judas goats who have been elected and sent to Washington who have forgotten that they have ever been elected by the people of Louisiana, by resisting the Communist elements led by Martin Luther King, by giving our demonstrations, by giving our meetings, by doing such things as to stop being pushed around by Communists and black Negro hordes, and to do whatever else might be necessary to defend our lives and our property from those who seek to inject us with that Godless spirit of Communism. We are going to do our best to take care of our country. It is my opinion that it is only a question of time when certain elements running the Federal Government will do as they did before and invade us, as they invaded a little school in Arkansas; and as they invaded a whole Mississippi University; where they used the United States Army. It cost millions and millions of dollars for an immorality parade of Communists and anti-Americans at Selma, Alabama; and we are going to do everything we can do to resist that kind of thing. The white people should parade to show that we are getting dammed tired of having Communism injected into us, and having our children in schools and in colleges indoctrinated and regimented, both in the public schools, the parochial schools, and in the colleges. We are sick of it, and we are going to give our own demonstrations, and we are going to declare ourselves free men, and we do not fear anything. As a matter of fact, personally, I don't fear God, I love God, I respect Him, I worship God, but I have no fear of Him, and I have no fear of the Federal Bureau of Investigation which has done such acts as might cause their name to be changed to "Federal Bureau of Integration," rendering service to Martin Luther King when it should be fighting Communism. Now, further than that I will tell you this, we are going to continue on, we don't intend to be interfered with, and this is all a smoke-screen to try to destroy the Birch society, The Minute Men,

the Paul Revere Club, the Klan, the Robert E. Lee Patriots, and every organization that is fighting Communism which is now called subversive. Well, if they are subversive, then by the same means if they are supporting a Communist, Martin Luther King, for the purpose of the "divide and conquer" plan so that Mr. Khrushchev can take over without firing a shot. It is ridiculous to assume that people fighting Communism and willing to die fighting Communism could be subversive; whereas, the heads of the Federal Government now are only giving lip-service against Communism. They are feeding them, supporting them, sending them our tax-money, food and everything else. What I would like to know is, what side is the Federal Government on? Our objectives are all American, real Americans, we don't want any half-business. These moderates and left-wingers—that stuff to me should all be in jail because they are not real Americans. If it wasn't for the Government, the churches, and these Communistic labor-leaders promoting all of this Communism in this country, we wouldn't have any trouble, and I am more afraid of the Communism here in America than I am of them over in Russia. We can whip Russia, but we can't whip the people who are selling us out to the Soviet Union, that's my answer to that.

Q—Question #15: Will you furnish the committee with samples of the literature, printed materials used by your organization?

A—I will be very proud, and I will tell you that on most of our literature is these words: "My country tis of thee, once in lands of Liberty, but thee we fight, once again may our land be bright with freedom's holy light, protect us by Thy might, Great God, our King." Now, in conclusion I want to say this: This country is run by the "Establishment," the invisible government. Mr. Rockefeller proves that when he supports certain Democrats, and certain Democrats prove it when they support certain Republicans. There is an element in both of these crime-ridden parties, the Democrats and the Republicans that control the Party with their money, with their power, with Federal intimidation, persecution, etc., that is whipping America into line. They are owning and controlling the country. This country in my opinion is something like three hundred and forty billion dollars in debt. We are the only country in the world where the people, the citizens, cannot own gold coins, the only country in the world that had paper that was once good for gold, then it was good for silver, then it is not good for a damn thing, its only good to pay debts. I don't have a bank-account, but its just as good as me issuing a check without a bank-account, there isn't

a damn thing to back it up but a debt of three hundred and fifty billion dollars. I believe that any man who should give a check without having a bank-account would be no more guilty than the Federal Government dishing out a lot of paper that is not backed up by anything but the gold that is in other countries. This country has been shipping all of the paper over to these other countries, and these other countries have been taking all of our gold. I doubt very seriously whether there is any gold left in this country; there is supposed to be billions but I would have to see it to believe it.

BY MR. ROGERS:

Q—Mr. Cobb, there are one or two other things I want to ask you before we close. What is your title in the Robert E. Lee Patriots?

A—I am the head of the Robert E. Lee Patriots.

Q—Are you the President?

A—I am the President of the Robert E. Lee Patriots.

Q—Is that organization incorporated, or is it an unincorporated association?

A—Well, it was not incorporated, but it's in the process now with Mr. Wade Martin (Secretary of State) in Baton Rouge. I was President of the "Dixiecrats Democratic Association of Louisiana," so we changed it to the Robert E. Lee Patriots because we are ashamed to be Democrats when you have got such Democrats as Johnson, Humphrey, and the other scavengers running this country.

Q—How is your board of officers that decide your policy chosen? Are they elected from the membership, or how are they picked?

A—They are accepted by the people, if anybody doesn't like them they get up and say it. We have little elections, but we don't have any trouble. We are looking for leadership to lead us out of the valley of death which is the valley of Communism that we are in.

Q—Are they appointed by the leaders of the chapters?

A—No, sir, they are accepted by the group, and if anybody wants to oppose them, they do, but they are all good conscientious men who submit to leadership when in certain cases some people don't have the qualifications of bringing things about. One of our motives is to instruct the people of this city, this state, and country,

wherever we can, as to the fact that they are dying with a. They have a "don't give a damn attitude." The government is to throw fear into the hearts of the people that if you fight N. Luther King, or the Communists, or if you fight back at the N. then the Federal Government is going to eat you alive, that you are going to be destroyed, persecuted, and everything else. Well, really, they can do what the hell they want with me, and they can drink my blood, but the people that belong to my outfit are my own, and don't give a continental damn. We stand for a principle and we will die for it.

WITNESS EXCUSED.

TESTIMONY OF JACK N. ROGERS, JUNE 16, 1965, (CONTINUED):

BY MR. ROGERS:

Mr. Chairman, the next group with which we have come in contact in our investigation is an organization known as "The Knights of the White Camelia." This group is specifically named on the Attorney General's list of subversive organizations. It is apparently dormant in Louisiana at this time. The Robert E. Lee Patriots are not connected with the Ku Klux Klan, they are not a part of it, whatsoever. They simply came to our attention on the basis of The Knights of the White Camelia. We have been informed by police sources that Alvin Cobb is the head, or leader, of The Knights of the White Camelia. As I have already testified, he is also the head of the Robert E. Lee Patriots, Inc. The Knights of the White Camelia are not holding meetings at this time, so far as we have been able to ascertain, and evidently all of their members have gone completely underground, and have at least temporarily disbanded the organization. We are told that these men intend to remain underground until some future situation should become so serious as to require their re-organizing and bringing their organization back to the surface again in an active form. Apparently it is completely dormant at this time. Now, originally, back in Reconstruction Days after the Civil War, The Knights of the White Camelia definitely were a part of the Ku Klux Klan.

The Knights of the White Camelia were originally organized in St. Mary Parish after the Civil War. They were limited in membership at that time to men who had been officers in the Confederate Army. The Organization was primarily political in function, but there were some instances of vigilante action directed against various white carpet-baggers and scalawags throughout this part of the State. In 1868 the membership requirements of The Knights of the White Camelia were revised to include any ex-regular Confederate soldiers. The old Klan was disbanded in 1869 by Gen. Nathan Bedford Forrest, but The Knights of the White Camelia continued in existence to about 1872. The Knights of the White Camelia was well infiltrated through these years by the United States military authorities during the Military Occupation of Louisiana. Certain "Klansmen" were taken into The Knights of the White Camelia after the Klan was disbanded in 1869. At "The Battle of Canal Street" in New Orleans about 1872, there was an organization which took part called "The White Camelia Company." As you will remember this "Battle of Canal

Street" marked the end of carpetbagger rule, and the worst of the Reconstruction Period, in Louisiana. There was a large number of people killed in New Orleans at that time, it was an open-street battle with firearms, and very serious.

The Knights of the White Camelia originally died with the end of the Reconstruction Period. It did continue as a sentimental gesture handed down from father to son. The sons of the old Knights of the White Camelia members were invested with the secrets of The Knights of the White Camelia on their 21st birthday. During the reconstruction of the Klan in the 1915 era, about 1921, The Knights of the White Camelia was reconstituted, and when the second Klan died, The Knights of the White Camelia died with it. At this time The Knights of the White Camelia, so far as we are able to ascertain, is not connected at all with the third Klan, or the Klan which exists now. There is no national or even regional Klan now, of course, only the concept is national. The Knights of the White Camelia at this time, so far as we have been able to ascertain, is simply inoperative, and inactive.

Another thing that came to our attention, Mr. Chairman, during the course of this inquiry was, that there was no Klan activity at all, so far as we have been able to learn, in the Caddo Parish area of this State, this is in the Shreveport area west of Red River. The reason for this, according to the authorities in that area, and according to some Klan sources, too, is the fact that there have been some extremely strong public statements made by the law-enforcement officials of that Parish directing that the Klan stay out of the area and not carry on operations there. The Klan leaders state that they have confidence that they "are not needed" in the Caddo Parish area because of the extreme efficiency of the duly constituted police authorities in carrying out their proper function of law enforcement there.

I think that the transcripts of testimony of the Staff Consultations with the Klan leaders and the leader of the Robert E. Lee Patriots will set forth a rather significant difference of approach toward the problems of the United States, and we leave this to the readers of this report to ascertain.

As to the question of laws dealing with the Ku Klux Klan in Louisiana, there are two very significant legal points which must be considered when analyzing the regulation of the Klan, or the question of whether it should be regulated in Louisiana. The first one is that the Klan in Louisiana does not wear masks; they do in

other States, but not in Louisiana. The reason for this is the Louisiana Revised Statutes, Title 14, Section 313, which is of No. 3 of 1924, prohibits the wearing of masks or hoods in places. I would like to quote from a significant part of the Statute, Mr. Chairman.

"No person shall use or wear in any public place of any character whatsoever, or in any open place in view thereof a hood or mask, or anything in the nature of either, or any facial disguise of any kind or description, calculated to conceal or hide the identity of the person, or to prevent him being readily recognized."

By further terms of the Statute this does not apply to Halloween masks, or to Mardi Gras maskers, these are specifically exempt. There is a further exemption for educational and religious activities. The penalty for violation of this Statute is not less than six months nor more than three years in jail, which makes it a rather serious crime.

The second legal point which must be considered in regard to the Ku Klux Klan in Louisiana is that in 1924, by Act No. 2 the Legislature passed a Statute, later embodied into our Louisiana Revised Statutes as Title 12, Section 401, which sought to regulate the Ku Klux Klan in Louisiana by requiring that all secret organizations in Louisiana submit to the Secretary of State annually a membership list, stating the names and addresses of all of the members. This particular statute most effectively repressed the Ku Klux Klan in Louisiana for some 37 years. In 1957 or 1958, the State of Louisiana applied this Statute to the National Association for the Advancement of Colored People, and the Statute was challenged in the Federal Courts at that time. In the case of "State ex rel Gremlion NAACP," (reported at 65 Supreme Court Reporter 1373,) the United States Supreme Court on May 26, 1961, overthrew the Louisiana Statute, and declared that it was an unconstitutional violation of civil rights. This particular decision has made possible the resurgence of the Klan in the State of Louisiana. Not until this decision became effective, was the Klan able to reorganize and gain stature, position and strength within this State. It is ironic that the NAACP was the instrument by which the Ku Klux Klan in Louisiana was given green light to reorganize and come back to some substantial strength.

Without this particular Statute, at this time in Louisiana there appears to be no effective way to regulate or control the Ku Klux Klan or similar activities.

survey of the District Attorneys of the State has produced a completely negative report on the question of criminal acts being performed, instigated, aided, abetted, counseled or procured by any Klan organization in the last five years. There is evidence of a strong effort by practically all Klan leaders in Louisiana to negate violence and to promote political action as the basic policy of their organizations.

The Klan groups operating in Louisiana at this time have all developed since the decision of the Supreme Court of the United States in the case of "State ex rel Gremillion vs. NAACP" in 1961. The first modern Klan group chartered in Louisiana in 1959 did not prosper to any significant degree until after the 1961 decision. The legislation voided by that decision had successfully repressed the Klan for thirty-seven years in Louisiana. It appears to the Committee that since the 1961 decision, it has been, and is now, practically impossible to regulate the Klan in Louisiana by a constitutional statute. None of the Klan groups active in Louisiana today is the same as any of the four Klan groups placed on the Subversive List of the Attorney General of the United States in 1950, nor were any of these four Louisiana groups in existence at that time.

One week before this report was sent to the press, a large-circulation national magazine commented on the "secrecy" in "The Klan" on "even the smallest details about organization or recruiting." The Committee has found the Klan to be substantially less secret than many other organizations such as the Knights of Columbus or the Masonic Orders. The evidence obtained by our staff and reproduced in this report clearly shows the lack of secrecy and security in the Klan organizations.

Anti-Catholicism is evidently no longer a significant factor in the policies of the Louisiana Klan organizations. One of the four Louisiana Groups, the Old Original Ku Klux Klan, now accepts Catholics in its membership.

Why do Louisiana citizens join the Klan? What need in their lives does it fill? The answers to these questions are varied and numerous, but the basic answer is that modern society and government have not provided these citizens with adequate means of expressing their frustrations. The Klan does this to some degree. The prime factor in this problem appears to be frustration with the current national administration. Every speech by a national political figure demanding more federal control over the lives of the people, advocating appeasement of the Communists, urging some greater measure of

surrender of our national sovereignty, attacking the constitutional system of federalism or "States Rights", or denying the existence of Communist infiltration which is actually a matter of incontrovertible fact, is a recruiting speech for the Klan. The Courts of our nation help Klan recruiting significantly with each decision that through devious and sometimes ridiculous interpretation of the Constitution weakens or destroys the basic constitutional rights of the States, supports the Communist Conspiracy against the legitimate interest of free society, frees obviously guilty or even self-confessed criminals on the vaguest of technicalities or even usurps openly the law-making function of the people constitutionally carried on through the Congress and the Legislatures. Each manifestation of forced race-mixing through executive order, Court judgment or the bald-faced dictat of some Federal agency, is a help to the Klan recruiting program. The frustration of citizens concerning these things, and the growing fear that the basis for such things is pure political expediency rather than a sincere interest in the welfare of the nation under the Constitution, is the reason that many Louisiana citizens have joined the Klan. They are unable to individually do anything about such problems, and the Klan apparently offers a means of collective action.

The Klan ritual, secrecy, and stated policy, offers some measure of collective security to people who see the whole political, economic and social structure of this State under concerted and vigorous attack. Up to this time, the Klan in Louisiana has not been the vehicle for violence that it has been in various other States. The orientation of the Klan is currently shifting even further toward a political-action group in Louisiana and will probably continue to follow this trend. Much Klan activity seems to be based upon the member's liking for secrecy and intrigue along with a certain Halloween spirit that is common to most Americans.

The Committee does not seek to either justify or condemn the policy statements under which the Klan organizations purport to operate in Louisiana. They are contained in detail in this report, and the reader may agree or disagree with them as he chooses. The Committee does take particular note of the existence of the non-Klan organizations mentioned in this report, particularly as to the different and much more militant policies of these groups. It is not the function of the Committee to criticize or praise the philosophy or orientation of any group or individual in regard to race relations, or any other subject outside the mandate of the Committee which deals with subversive activities. The Committee does state again, as in all its past

reports, that "rights" for individuals, or organizations, do not exist without equal "responsibilities." The mere hiding behind a facade of high-sounding principles does not relieve any individual or organization of his or its legal and moral responsibilities as a citizen of this State and Nation. This applies to all citizens and all organizations, whatever be their name or the color of their members.
